

Celebration of Road safety day

Road safety is most important factor that must have to consider if we are driving a vehicle. Considering the increased incidents of accidents the road safety day has been celebrated on 5th October 2016 under Autotrendz and NSS.

The main objective of road safety day is to create awareness of reasons of road accidents and importance of wearing helmet in students. On occasion of celebration of road safety day, Prof. Rahul Belekar (NSS Co-ordinator) and Prof. Rahul Powar (Autotrendz In-charge) has shared valuable thoughts to make students think on road safety issues. BE Automobile students got benefited from the video shown which was made by DY RTO Ratnagiri.
