Mechanical Engineering Student’s Association (MESA) organized a career guidance seminar “**Realisation for the better future**” for the second year Mechanical Engineering students on 03/02/2017.

The seminar was coordinated by Prof. Dandage R.V. and Prof. Suware A.S. under the guidance of HOD Prof. Bhandari S.R.

(Mr. Indraneel Naik addressing the SE students)

Mr. Indraneel Naik was the resource person for the seminar. Mr. Indraneel Naik is a distinguished alumnus of Mechanical Engineering department. He completed his M.Tech. (Thermal and Heat Power) from NIT Trichy in 2014. He worked as Design Engineer in Tata Consulting Engineers, Bangalore and as Product Development Engineer in LG Electronics, Pune and has been selected as Project research Engineer (PRE) at IIT Bombay.

Following topics were covered during the seminar.

- 1) Importance of academics in the industrial career opportunities
- 2) How to prepare for GATE exam
- 3) Importance of GATE score for career opportunities besides higher education
- 4) Technological advancements in the industries
- 5) Expectations of industries from engineering graduates
