

TEACHER'S DAY CELEBRATION

Date: 5th Sept. 2018

Objective: To give tribute to Dr. Sarvapalli Radhakrishnan for contribution in building India and to recognise teachers by showing appreciation and gratitude for their devotion.

Outcome: Recognition of teacher's work boosts their confidence, efficiency in effectively delivering knowledge.

Duration: two hours- 09.00 am to 11.00 am.

Targeted Participants: All teaching staff and students of Computer Engineering department.

Execution:

Association of Computer Engineering students celebrated Teacher's day in association with the student counseling committee of RMCET institute. Event started with the conduction of first three lecturers (each) of 20 minutes by interested students of third and final year. This 'learning-teaching' session is followed by sharing experiences of students with their staff and classmates. Students offered token of appreciation to staff members.

In technology respective volatile world, the challenge is to keep values. One step towards it is taken by Computer Engineering department with the pledge. All had pledged for new India, corruption free India, Clean India, Poverty free India, Terrorism free India, Casteism free India, Communalism free India.

This ceremony was concluded with valuable guidance to the students by head of department Prof. M.Y.Gadkari. To make this event successful efforts are taken by student counselling head Mr. S.S. Kolekar and ACE faculty incharge Mrs. G.N. Sawant.
