

AWARNESS ON AIDS

(06th December, 2016)

National Service Scheme (NSS) of RMCET have organized AIDS AWARENESS programme on **Role of youth in Prevention and awareness of AIDS** under on **06th December 2016 at MMD Dept. Seminar Hall.** The rampant spread of the HIV/AIDS virus over the past 29 years has created the most significant global public health crisis in modern era. Acquired Immuno Deficiency Syndrome (AIDS) caused by Human Immuno-deficiency Virus (HIV) is posing a serious challenge to the conceptual foundations and the practice of development planning worldwide. Nearly half of the new HIV infections are occurring in young people¹. HIV/AIDS is retarding economic growth by destroying human capital by mainly affecting the young adults in the age group of 15–24 years who are in their most productive ages of life.

Dr. Sachin Pawar from Civil Hospital Devrukh delivers a seminar on Aids Awareness. In this seminar she gave detail information about Aids & what are the precautions should be taken to avoid Aids. Prof. Parulekar V. V., Prof. Powar R.U. & NSS Volunteers have taken great efforts to conduct program smoothly.
