Prabodhan Shikshan Prasarak Sanstha's

RAJENDRA MANE COLLEGE OF ENGINEERING & TECHNOLOGY

Approved by AICTE, New Delhi, Recognized by DTE and Affiliated to University of Mumbai

Our Vision....

To empower the rural youth for better employment by providing engineering and Management education.

Our Mission....

- To prepare all students for successful career based on Strong Moral and Ethical Foundation
- To produce quality engineers by providing state of the art engineering education.
- To impart personality development skills to the students that will help them to succeed.
- To encourage and facilitate the faculty and the students to work together across discipline boundaries
- To bring up mutually beneficial partnerships with Alumni, Industry and Institutes.

Our Goals....

- To develop centre of excellence in each department.
- To develop graduates for research, employment & entrepreneurship.
- To attract, retain & develop faculty for promoting lifelong learning culture & knowledge creation.
- To develop strategic alliance with reputed institutes & universities to promote research activities in the field of emerging technologies.

The Sanstha....

Prabodhan Shikshan Prasarak Sanstha has been established in 1995 with a sole vision of imparting quality education in the field of Primary, Secondary & Higher Education. The following institutes are run by the Sanstha.

- Kai. Sau. Meenatai Thakaray High School, Sadavali
- Kai. Sau. Meenatai Thakaray Jr. Science College, Sadavali
- Rajendra Mane College of Engineering and Technology, Ambav
- Indira Institute of Pharmacy, Sadavali
- RMCET MBA / MMS Department, Ambav
- Rajendra Mane Polytechnic, Ambav
- Mane's International School, Kuwarbav, Ratnagiri
- Prabodhan Center of Educational Excellence, Mumbai

Board of Directors

Hon. Mr. Ravindra M. Mane
Chairman

Mr. Manohar A. Surve
Vice-Chairman

Mrs. Neha R. Mane
Executive Chair-Person

Mr. Chandrakant S. Yadav
Secretary

Mr. Dilip S. Jadhav
Jt. Secretary

Mrs. Jayshree V. Dalvi
Treasurer

Ms. Janhavi M. Mane
Trustee

Mr. Sanjay Neve
Trustee

Chairman's Message

Welcome to RMCET. Let me first congratulate the students seeking admission to our Engineering & Management Courses and their entry into the technical world for a prosperous career. I extend my best wishes for their bright future. RMCET is committed to uphold high standards of Technical & Management Education. Our guiding principal is constant change, motivation and upgradation, creating state-of-art knowledge infrastructure for our students, instilling in them the ability to learn so that they can face any challenge any where.

Hon. Shri. Ravindra Mane
Ex-Minister Maharashtra State

Principal's Message

“Education is to be Enjoyed & Imbided for Life.”

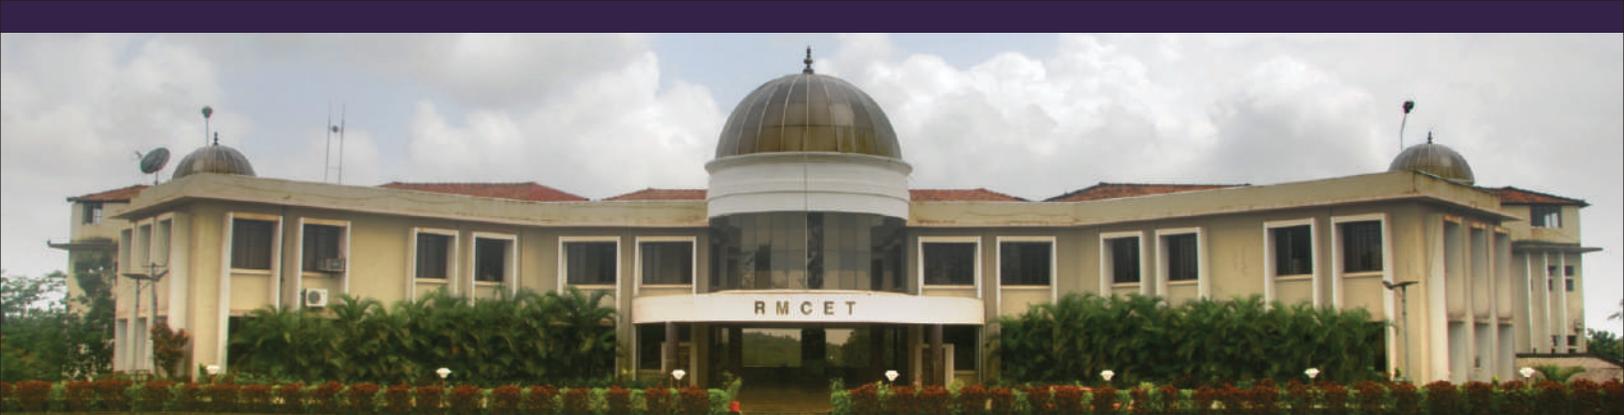

It is my Privilege to welcome you to this great institution. RMCET is one of the premier engineering college in konkan region under the aegis of University of Mumbai.

Hon. Ravindraji Mane, established this institute to develop high quality technical personnel, imbided with professional and ethical values.

At RMCET, we provide undergraduate degree program in five engineering disciplines and post graduate program in management studies. We are in the pursuit of achieving global standards of excellence in all our endeavors. We aim at creating all round personality in our students - professionally and socially. In align with innovative teaching practices. We have excellent faculty and state of the art infrastructural facilities and laboratories. Our Vision is to become the center of excellence in technical and management education. To achieve this vision our priorities & thrust areas include ...

- Achieve excellence by enabling the students to be more creative, innovative & productive.
- Design and dissemination of flexible, career oriented add-on-certificate programs with active industry participation to ensure the students more employable.
- Provide excellent amenities to the students to encourage their participation in co-curricular and extra-curricular activities. This is to emphasize on overall personality development.

Finally, it gives me immense pleasure to welcome all those who aspire to have a career in engineering and fruitful stay at this institute

Admission Information

Admission :

1. All the students seeking admission to the engineering & management courses are required to fill up the admission form. The duly completed admission form along with necessary documents as mentioned in brochure are to be submitted in college office with prescribed fees.
2. Students seeking admission through Centralised Admission Process (CAP), should produce the allotment letter at the time of confirming their admission in our college. They are also required to fill up the college admission form as mentioned above

Courses Ofereed:

Bachelor of Engineering (B.E.)

Courses	Intake
■ Automobile Engineering	30
■ Computer Engineering	60
■ Electronics and Computer Science	30
■ Mechanical Engineering	60

Post Graduate Course (P.G.)

■ Master of Management Studies (M.M.S.)	60
---	----

Eligibility Criteria:

For admission to First Year, Direct Second Year Engineering & F.Y. M.M.S.
As per the norms framed by Commissioner, State CET Cell M.S.
(www.dtemaharashtra.gov.in).

Fee Structure: (As approved by Fees Regulating Authority)

	Engineering	Management
■ Tuition & Development fee	₹ 69,500.00	₹ 37,500.00
■ Admission fee & Exam Fee	₹ 7,359.00	₹ 7,933.00
■ Hostel Rent	₹ 12,000.00	₹ 12,000.00
■ Hostel Deposit	₹ 4,000.00	₹ 4,000.00
■ Mess Deposit	₹ 2,000.00	₹ 2,000.00

Admission reporting procedure:

- After the display of allotment in CAP round or admission in Management Quota, candidate should report to the Institute as per the notified schedule of the admission process.
- Candidate shall report to the Institute with all original certificates needed to substantiate the claim made in the application regarding eligibility and reservation.
- If a candidate is unable to produce original certificate at the time of his/her admission on account of admission already secured to some other Institution, he/she shall produce a certificate from the Head of the Institute where he/she has already taken admission indicating that he/she has been admitted to a particular course in the Institution. The candidate shall produce the attested copies of the certificates duly attested by the Head of the respective Institution. Such candidates shall be required to pay the fees immediately at the time of admission and shall be permitted to submit the required original certificates within 4 working days after the date of payment of fee.
- After scrutiny of original documents, the candidate will have to pay prescribed full fee immediately as prescribed by the Institution and confirm the admission offered.
- If candidate fails to pay the prescribed fee within the reporting time, the candidate forfeits the claim on the allotted seat.
- Admission to backward class candidates will be given on the condition that they submit the Caste Validity Certificate within 12 weeks from the date of admission, failing which the candidates admission will stand cancelled without any refund of fee.
- If a candidate is offered admission, his or her original School / College Leaving Certificate (of qualifying examination) will be retained by the Institute. This original certificate will not be returned to any candidate once admitted to a course at the Institute unless the candidate cancels the admission. All other certificates will be verified by the Institute at the time admission and returned to the candidate after the University enrolment.
- Admission of Out of Maharashtra State (OMS) student's who have been admitted to any course in the Institution, will be confirmed only on submission of the Provisional Statement of Eligibility from the University of Mumbai.

Cancellation & Refund :

- Cancellation of admission and refund is governed by rules laid down by the Commissioner, State CET cell in their Admission Brochure

Concession in Tuition & other fees :

- All the schemes as mentioned in the State CET cell, M.S.

First Year Engineering

Basic Sciences provide the fundamental base for all engineering courses. In first year, students learn Applied science and Humanities subjects' viz. Mathematics, Physics, Chemistry, Environmental Studies and Communication Skills.

In addition to the applied science courses, students study the core subjects of engineering viz. Engineering Mechanics, Engineering Drawing, Basic Electrical and Electronics Engineering and structured Programming Approach which give them a solid foundation for the technical courses.

The institute takes special efforts for the beginners to nurture the process of Learning forever by introducing the scientific method slike Mind mapping, Rapid reading, and Memory enhancement through student centric innovative teaching techniques. These scientific techniques help the learner to learn in easiest way making further the learning more enjoyable one.

The department takes utmost care of the FE students through personal counseling, mentoring and immediately attending to their grievances. The faculty members are well qualified, experienced, supportive and student friendly. Special remedial classes, tutorials are arranged by the faculty to enhance the students' performance.

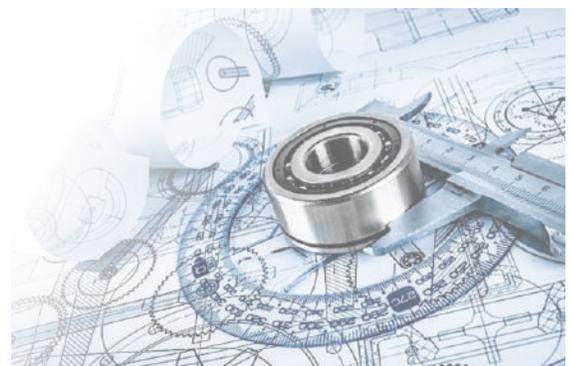

We, therefore, call FE as Foremost Engineering year where students' knowledge base will be well prepared to enable them to take any challenges in their career.

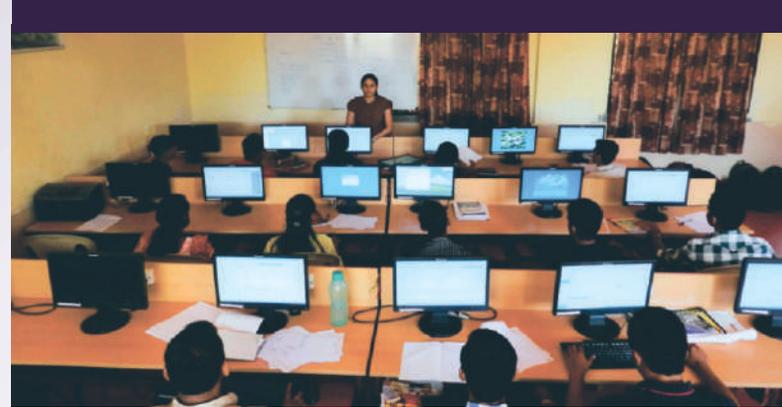

Co-Curricular Activities:

FE students are encouraged to participate in intercollegiate events. From last few years, our FE students won prizes in various areas at college level. Guest lectures are also arranged to motivate students.

Facilities:

- English Language Laboratory well equipped with softwares of Globarena Tech ,Hyderabad.
- Departmental Library with adequate reference books & e-books.
- Auto CAD 2008 software in CAD/ CAM Laboratory.
- Well equipped laboratory for Physics and Chemistry.
- Scilab software for Applied Mathematics.

Department of Computer Engineering

Computer Engineering Department aims to match with current industrial and social demands by producing and developing quality engineers through imparting latest technological knowledge. For achieving this aim, Department is focusing on practical and project based learning in Robotics, Artificial Intelligence, Big Data Analytics, Cloud computing, Search Engine Optimization and Machine Learning.

Infrastructure

The Computer Engineering Department has well equipped laboratories with latest high-end branded computers connected with LAN. The Department has MOU with Microsoft for Campus wide license of all its latest software and MOU with Dalvik Apps, Mumbai for value addition training to the students.

- 100 MBPS Lease Line internet with Wi-Fi facility.

Year of Establishment :	1998
Intake	60
Faculty	09
Staff – Student Ratio	1 :20
Equipment Cost	₹ 60 Lacks

Laboratories

- Data Structure & Algorithms Lab
- Database Management System Lab
- Computer Graphics Lab
- Software Engineering Lab
- Data Science Lab
- Computer Programming Lab
- Open source Lab
- Computer Network Lab

Our Strength :

ACE (Association of Computer Engineering) :

Computer engineering students Association for encouraging student's activities and personality development. Every year technical fest "i-Spark" organized by ACE for school to college level students.

Student Achievements :

1. Campus Placed Students :

Ms. Palkar Shreeya, Ms. Keluskar Gitanjali, Ms. Harmale Komal, Ms. Chavan Sonali, Mr. Bapat Omkar, Ms. Nawale Rutuja selected by Globenet Solutions..
Mr. Roshan Patil, Mr. Jitendra Sahu , Ms. Shriya Shinde selected by CMS IT Services.
Mr. Zuhak Bhande, Mr. Babu Pawar, Ms. Namita Paradkar selected by Make mi holidays.
Ms. Lanjekar Rubnar , Ms. Sohoni Bhakti , Mr. Roshan Patil selected by Doctronic.
Ms. Lanjekar Rubnar , Ms. Sohoni Bhakti selected by Vyoms Lab .
Ms. Shriya Shinde selected by Bhilwara infotech ltd.
Mr. Sapre Shreyas, Mr. Bhagwat Amol selected in Oracle.
Mr. Makarand Shinde, Mr. Raturaj Gotad selected by Perscitus.

2. Special Project (Humanoid Robot) :

Mr. Roshan Patil and team from BE Computer designed and developed humanoid robot which will perform the specific tasks like Walking Mechanism with self-balancing, Obstacle Detection and Speech Recognition.

Faculty achievements :

Mr. Kolekar S.S. qualified in GATE 2018.
Mr. Naik L.S. and Ms. Mangale S.R. received "Minor Research Grant" from Mumbai University for year 2018-19.

Proficiency Development programs conducted :

Computer Hardware and Networking Training Program
Core and Advance Java Workshop
Big Data and Hadoop Workshop
Web development certification Course
Android App Development Training
Python certification Course

Department of Electronics and Computer Science Engineering

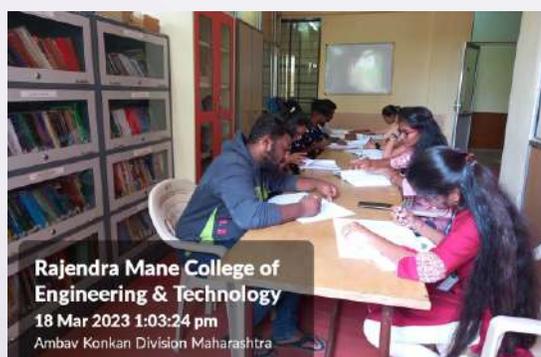

Engineering is the application of basic science and hence it serves as the fundamental base for engineering courses. In first year, students learn basic science subject viz. Engineering Mathematics, Engineering Physics, Engineering Chemistry and Professional Communication & Ethics.

In addition to the engineering science courses, students have to learn the core subjects of Engineering i.e. Engineering Mechanics, Engineering Graphics, Basic Electrical Engineering and C Programming which give them a solid foundation for their technical courses.

This institute takes special efforts for the beginners to nurture the process of learning forever by introducing the scientific methods of learning like participative learning, experiential learning, collaborative learning and other student centric innovative teaching methods. These scientific techniques help the learner to learn in easiest way making further the learning more enjoyable one.

The department takes utmost care of the FE students through personal counseling, mentoring and immediately attending to their grievances. The faculty members are Qualified, experienced, supportive and student friendly. Special Bridge course, remedial classes, tutorials are arranged by the faculty to enhance the students' performance.

We therefore call FE as Foremost Engineering year where students' knowledge base will be well prepared to enable you to take any challenges in their career.

Year of Establishment :	2023
Intake	30
Faculty	05

Department of Mechanical Engineering

Mechanical Engineering is the core branch of General Engineering. Proud to possess state of the art of laboratories. These laboratories are well equipped with actual experimental setup, models and charts for the students to have hands on experience apart from the theoretical knowledge. In order to meet the dynamics requirements of industry the advanced laboratories like CAD/CAM/CAE lab, Mechatronics have set-up impart latest engineering knowledge and training to students. Our department was awarded two research grants by university of Mumbai.

Staff Development:

The department has qualified and dynamic staff members. Many staff members also have industrial experience who help the students to understand the practical know how of theoretical concepts. The Staff Members are regularly updating themselves by publishing / presenting research papers in national / International journal's and conferences, attending short term training programme at IITs / NITs and doing industrial training.

Laboratories

- CAD/CAM/CAE
- Fluid Mechanics
- Strength of Material
- Hydraulic Machinery
- Thermal Engineering
- Materials Technology
- Mechatronics and Automation
- Mechanical Measurement & Metrology
- Dynamics of Machinery & Kinematics of machinery
- Heat and Mass transfer & Refrigeration and Air_Conditioning

Test Rigs

- Two State Air Compressor Test Rig
- Refrigeration Test Rig
- Air- Conditioning Test Rig
- Evaporative Cooling Test Rig
- Ice Plant Test Rig
- Francis Reaction Turbine Test Rig
- Pelton Impulse Turbine Test Rig
- Kaplan Axial Turbine Test Rig
- Centrifugal Pump Test Rig
- Electro Hydraulic trainer kit
- Jominy End Quench Test Rig
- PID controller Trainer kit

Major Equipments

- Brinell Hardness Tester
- Izod Impact Tester
- Profile Projector
- UTM(computerized)
- Wind Tunnel
- Drop-Film wise condensation
- Metallurgical Microscope with Camera

CAD/CAM/CAE

- Forty personal computing systems
- Intel I5, 16 GB RAM, 4GB Graphics, 512 SSD
- Solidworks, Altair Hyperworks, Autodesk AutoCAD, Inventor
- 3D Printer Creality Ender 3 Pro
- A3 Jumbo Printer-Cannon LB3500
- A4 Cannon Laser Printer LB 2900
- LCD Projector EPSON

Year of Establishment :	1998
Intake	60
Staff – Student Ratio	1:20
Equipment Cost	₹ 99,53,192.00

Journal Publication	68
International Conference	32
National Conference	42

Proficiency Development Programs :

The department conducted the certificate programs & expert seminars in the following topics to enhance their practical knowledge and employability through MESA (Mechanical Engg. Students Association).

- FEA using LS Dyna
- Solar PV System
- Refrigeration and Air conditioning
- CAD/CAM Training Program on PRO-E Software
- Design of submersible pumps
- Rapid Prototyping Program
- Vibration Analysis and Dynamic Balancing
- Piping Engineering
- PLC Automation
- Computational Fluid Dynamic
- FEA using Ansys
- Research Methodology
- 3D manufacturing

Student's Projects include :

- Design and Fabrication of FDM type 3D Printer
- Design and Fabrication of Finned Triple Heat Exchanger With Dimple Tube
- Experimental Investigation of Vapor Absorption Cooling System Powered by Waste Heat
- Redesign & Modification of Conventional Vertical Milling Machine For Fabrication Stir Welding of Al Alloy
- Design & Fabrication of Magneto rheological Fluid Brake
- Design & Fabrication of Multifunctional Agricultural Vehicle
- Design & Fabrication of Dual Specimen Rotating Bending Fatigue Testing Machine
- Experimental Investigation & analysis of Heat Pipe Application In Lathe Machine Operation
- Design of Intake Manifold of Honda CBR 600R Engine
- Design & Fabrication of Electrically Powered Mixture
- Enhancement in Heat Transfer Coefficient of Water by Using Nan- fluids for Corrugated Plates Heat Exchanger
- Development of Framework for Effective Implementation of TPM in Engineering Education Institute
- Design, Development and Testing of Setup for Grease Filling of LHB Roller Bearing
- Design and Analysis of Knuckle & Hub for FSAE Car
- Design & fabrication of Single Axle, Self Propelled, Multi Attachment Agricultural Machine
- Gearless Transmission System
- Balancing of Heavy Vehicles on Curved Road Using Hydraulic System

Industrial Visit:

Industrial visit are arranged for students to enhance their practical Knowledge and also to make them familiar with Industrial Environment.

Following industries were visited

- CIPLA BIOTECH, VERNA GOA
- JSW Energy Limited, Jaigad (Ratnagiri).

Softwares Available:

- ◆ ANSYS 15.0
- ◆ PRO-E (Creo 4.0)
- ◆ Auto CAD 2014
- ◆ Autodesk Inventor
- ◆ P-Simulator
- ◆ H-Simulator
- ◆ PLC Simulator
- ◆ Siemens Logosoft

Test Rigs:

- Petrol and Diesel Engine Test Rig
- Alternator and Starter Test Bench

Major Equipments:

- Computerised Wheel Aligner
- Computerised Wheel Balancer
- Engine Analyser
- Multy Gas Analyser and Smoke Meter
- Battery Charger
- Car Washer with Compressor

Proficiency Development Courses Conducted:

- Certificate course on PLC Automation

Students Projects Includes:

- Turbocharger for Two Wheeler
- Design and Development of Hydrogen Generation for Automotive use.
- Design of Electromagnetic Engine
- Design and optimisation of Disappering Car Door
- Design and development of Brake Pad using Saw dust

Publication:

- International Journal: 26
- International Conference: 09
- National Conference: 12

Training Programmes:

Faculties of this department are trying to develop the student's theoretical as well as practical knowledge by arranging different courses, seminars and workshops. Also they are participating in various STTP, national and international conferences to enhance their knowledge and skill which is most beneficial for the students.

Student Activities :

Students participate in Formula Student India (FSI) racing and Go-Kart national level championship every year.

Department of Automobile Engineering

Automobile Engineering branch provides many benefits to their students and the compass for the automobile engineers is escalating day by day. It offer students with tangible contact with their future line of work After finishing point of graduation, students can get probability to work with automotive manufacturing Industry, Heavy Earthmoving Industry, Service Stations and government organisations associated to Road Transport.

Vision of our department is to mould the students into professional and competent Automobile Engineers who can meet the industry demands.

The department have well qualified, experienced staff and equipped with all laboratories essential as per the university syllabus. The total investment amount is Rs.35Lakhs. The department is endlessly engaged for the academic upliftment of student as well as their other progress by revealing the students to the real problem through industrial visits and guiding through participation in various competitions.

Staff Development

Faculty are trying to upgrade their knowledge and skills by attending various seminars, STTP, National and international conferences. Also various workshops seminars, STTPS are arranged by faculty for the students to enhance their knowledge. We provide the platform for faculty to upgrade their qualifications.

Laboratories :

- Vehicle Maintenance Laboratory
- Auto Emission Laboratory
- Chassis and body Engg. Laboratory
- Vehicle Systems Laboratory
- Autotronics Laboratory
- CAD/CAM Laboratory
- I.C. Engine Laboratory

Facilities Provided :

- Motor Driving School
- Authorised P.U.C. Center
- Auto Service Center
- Routine maintenance of institute and outside vehicles

Year of Establishment :	1999
Intake	30
Faculty	04
Staff – Student Ratio	1 : 20
Equipment Cost	35 Lakhs

Year of Establishment :	2010
Intake	60
Faculty	06
Staff – Student Ratio	1:20
Equipment Cost	₹ 9 Lakhs

Infrastructure:

MMS Department has well equipped seminar hall, 1 multimedia class room (Smart Classroom), 5 class rooms for all specializations, Computer Lab consisting 30 Computers with 100 MBPS lease line internet connection with Wi-Fi facility, 1 reading Hall & 1 reference section. Department has its own department library & 5 faculty cabins.

Industrial Visit:

Department has organized Industrial visits for students to get practical exposure, it added Knowledge and also to make them familiar with Industrial Environment & working culture.

Department has organized Industrial visit in following Industries:

- Bombay Stock Exchange, Mumbai.
- Kailas Food Products Pvt. Ltd., Satara.
- Kisan Veer Co-Operative Sugar Factory, Satara
- Mapro Industries, Mahabaleshwar

Guest Lectures & Workshop's by Industrialist:

- Mr. Chandrshekar Thakur (X-head Education Investor at CDSL) has conducted Guest Lecture on "Share Market" for MMS 1st & 2nd year students on 22nd February 2018.
- Mr. Chandrshekar Thakur (X-head Education Investor at CDSL) has conducted 1 day workshop on "Bhimrupi Maharudra –BHIM App" for MMS all teaching, non-teaching staff & MMS 1st & 2nd year students on 22nd February 2018.
- Mr. Nithilesh Pawaskar (Professional Investment Guide) has conducted Guest Lecture on "Live Stock Market" for MMS 1st & 2nd year students on 6th April 2018.
- Mr. Devendra Mane (X-Vice President of Channel Development & Quality Assurance) has conducted Guest Lecture on "Opportunities in Insurance Sector" for MMS 1st& 2ndyear students on 11th April 2018.
- Mr. J. J. Bhide has conducted 2 day's workshop on "Project Management" for MMS 2ndyear students on 5th & 6th May 2018.
- One day workshop on 'Research Methodology & Writing a Project Report' was organized for MMS 1st & 2nd year students of RM CET as well as for final year students of BMS & B.Com on 13th January 2018. Resource person for this workshop was Dr. C. S. Dalvi, Dr. Pravin Chavan & Mr. Amar Ekal.
- Ms. Neeta Khamkar (Lecturer at Gogate Jogalekar College, Ratnagiri) has conducted Guest Lecture on "HR Management & Job Opportunities in HRM" for MMS 1st & 2nd year students on 19th September 2017.

Department of Master of Management Studies (MBA/MMS)

About Department :

RM CET's Post Graduate Department of Master of Management Studies affiliated to University of Mumbai was established in 2010-2011 with an intake of 60 Students. We strive to provide value based Quality Management Education & Research by imparting knowledge with ethical values. The major objective of the department is to expose students to the challenges of Business Administration & equip them with management, Entrepreneurial skills & capabilities with ample scope for individual growth. The specialization available includes Marketing management, Financial management, Human Resource management, Operation Management & Information Technology for management. The department has state of art infrastructure, well equipped class rooms and seminar hall with all necessary facilities, Computer Laboratory equipped with 100 MBPS dedicated lease line Internet connection and latest software & database packages with advanced system. The departmental library is well equipped with academic & reference books & subscribe to various National & International Journals & Business dailies.

Department Vision :

To become recognized as a high quality MMS Program that produces well rounded business leaders & managers sustaining national & global leadership in academics through management education for empowering the rural people of konkan region.

Department Mission:

- To coordinate all our activities towards the empowerment of rural people of Konkan
- Nurturing new generation as outstanding managers and business leaders who will be catalysts for the change and the march towards excellence in their chosen fields.
- Adopting innovative teaching learning practices that create proactive leadership.
- Developing state of the art that promotes innovation and research.
- Fostering mutually beneficial partnerships with Alumni, industry and institutes.
- Inculcating ethics and values to develop and promote entrepreneurship.

Special Features

- Highly qualified & experienced faculty
- Effective Teaching - learning processes
- Well primed library with digital learning process
- Soft skill training for personalty development
- Strong industry - institute interaction
- Opportunity to work on consultancy project
- Residential Campus with boys & girls hostel
- WiFi Campus with 80 Mbps lease line
- Well equipped gymnasium
- All sports facilities
- Medical clinic and 24 X 7 ambulance service
- ATM facility

Specialisation Offered

1. Marketing Management
2. Financial Management
3. Human Resources Management
4. Operation Management
5. IT for Management

Cells Working In Department:

- Competitive Examination Cell: Several training programs organized for students under this cell are: Guidance for MBA CET, IBPS Examination, NCFM Exam & Other Competitive Examinations.
- Entrepreneurship Development Cell: ED Cell was formed at departmental level to produce successful entrepreneurs imbued with leadership qualities using innovative & ethical business practices to make global impact. Under this cell, we have conducted Funfair Activity during Aarohan 2k18 at RMCET Lawn
- Training & Development Cell: Department provide information about all the new openings to students. We conduct Aptitude Classes at department level. We conduct Aptitude Test & Mock Interviews of Students. We organize several workshops on Interview Techniques.

Management Student's Association:

- Students has organized Pot Puri Event.
- Students has celebrated Teachers Day.
- Students has organized Fresher's Party & Farewell Party.
- Students participated in Blood Donation Camp.

ICT Tools Used for Effective Teaching Learning:

- RMCET MMS Blog
- Edmodo App
- Facebook Page

Library

RM CET has a well facilitated and spacious library with more than 30000 technical and management books, a large collection of National & International Journals, e-journals, News papers and magazines. The library has digital repository system. E-journals are being subscribed from J-GATE. It has internet browsing facility. Membership of IIT Powai, Mumbai.

Book Bank Scheme for SC, ST Students : The students can avail six additional books for a semester apart from their regular library cards.

E-Services : Digitised study material like University Question Papers of previous examination along with solutions are made available on institute website www.rm cet.com.

Search Engine : OPAC: Online Public Access Catalogue (Library Area)
EPAC: Electronics Public Access Catalogue (Campus Area) are available for the students & staff.
http://libserver/epack/epack_selorg.asp

Library Working Hours : The RM CET library works for 11 hours a day, on all the working days (8.00 am to 7.00 pm). Book transactions are done from 9.00 am to 6.30 pm on all working days. In examination period timing remain 8.00 am to 10.00 pm.

Internet Facility : No. of Terminals: 12; Scanning Machine: 01; Laser Printer: 01

Value added services :

News paper clipping service, Current awareness services, Reprographic service, Effective Reservation Service, Article alert service etc.

Workshop

The workshop at RM CET is highly equipped and professionalized with all the necessary tools and equipments required for the students. The spacious and well ventilated workshop ensures a pleasant and conducive atmosphere for the students. All necessary safety precautions are provided in the workshop.

Activities undertaken by the Workshop Team : Manufactured ergonomically designed desks, study tables, computer tables for the institute. Design and fabrication of trusses for workshop and mechanical labs.

Laying Water supply line from the dam (which is 2.5 km away) up to college campus. Actively supporting students projects, encouragement to innovative and new ideas. Design and fabrication of sport utilities required on campus.

Training and Placement

The motto of Training and placement cell of RMCET is to enhance the employability skills of the students so as to create skilled employees and entrepreneurs. Our objective is to prepare competent, innovative and job ready engineers who would contribute to the growth of an organization and add value to the society. Keeping the evolving demands of the organizations in mind the. Training and placement activities at RMCET start from the first semester of engineering and management continue till the students are placed. We try to develop a student on all aspects such as technical, aptitude as well as soft skills.

In first year of engineering and management we focus on confidence building and basics of communication skills. In second year the focus is on advanced communication skills and presentation skills. Third year is dedicated to aptitude and personality development, where skills like creativity, group discussion, learning attitude and body language are cultivated. In the final students undergo rigorous practice of group discussion, mock interviews and problem solving.

Training & Placement Cell Activities :

- Inviting various organizations for campus drives.
- Training to suit various needs of industry.
- Make MoUs with Institute or organization for students training and placement.
- Personality Development
- Communication Skills & Vocabulary
- Interview Skills & Resume Preparation
- Aptitude Training & Practice Tests

MoU's

Traning Programs

- FE Personality Development Workshop (16 Hours)
- SE Basic & Written English (32 Hours)
- TE Aptitude Training (40 Hours)
- BE Campus Recruitment Training Program (30 hours)
- MMS Personality Development

Training & Placement Activities

TPC
Activities

Hostel, Mess & other facilities:

Hostel & Mess:

The residential complex accommodates both boys and girls. There are Five Boys hostels and Two Girls hostels available with requisite amenities and mess facility for about 600 boys and 150 girls. Spacious and well furnished rooms are available to give the students a perfect, homely stay. Special arrangements have been made for the safety, security and privacy of the students and particularly for the girls residing in the hostels.

There are 3 Mess & 2 Canteens available in the campus. Each hostel is provided with Aquaguard water filter and a water cooler. Water and electricity is available round the clock. Two Generators are provided to all these hostels. Internet facility is provided for the hostel inmates.

Principal & Faculty Accommodation:

RMCT has provided accommodation for Principal and faculty in the campus. Rector is available round the clock in the Campus.

Medical Facility:

The college has a Medical Dispensary with a qualified Doctor to provide medical facility to Staff & Students. Ambulance facility is available round the clock.

Utility Centre:

The College has a Utility Centre for the students where the facilities like SBI ATM, Stationary Stores, Xerox, Laundry and Ice Cream parlor are available.

Extra Curricular Activities:

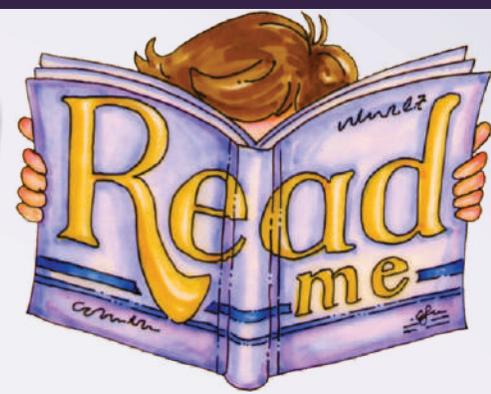

There are excellent facilities for games like Cricket, Football, Basketball, Volleyball etc. Students are encouraged to participate in University Inter Collegiate competitions. The Institute has a Chess Club. Well equipped Gymnasium is available in the hostel campus.

Cultural and extra-curricular activities are regularly organized. Students are also encouraged to participate in inter-institutional cultural activities. To encourage the students to pursue their hobbies, Music Club has been established.

Tours to Trade Fair and IT Fair are being organized regularly to provide necessary exposure to students in the latest and emerging technologies.

Carefully

Attendance & Discipline

Attendance :

Regarding attendance in theory & practical classes, attention of all the students & their parents / guardians is hereby drawn to the relevant important rules & regulations of University of Mumbai.

- Students are required to have at least 75% attendance in the lectures of every subject and 100% Performance in completion of all practicals & term-work.
- The students who fail to comply the requirements mentioned in (1) above will be detained and hence, not permitted to appear for University Examinations. Such students also stand to lose one whole year as they will have to seek readmission for the same semester in the succeeding year and repeat it.

The rules & regulations of attendance of University are binding.

We feel, it is our important duty to appraise the students and their parents/guardians about the necessity of having satisfactory attendance in theory & practical classes and the consequences thereof for non-attendance of these rules & regulations. We also take it as our responsibility to design systems by which the students who are not attending their theory & practical classes are punished. As a measure of deterrent, every student who remains unauthorized absent in their theory & tutorial and practical classes are fined Rs. 100/- per day or part thereof. However, the students should note that payment of fine on their part is not going to compensate for their short attendance, in that case the college will not hesitate to detain them.

If any student remains absent continuously for more than three days, he/she will not be allowed to attend lectures/practicals without payment of fine and permission from the Principal on the first three occasions in a semester further to which he/she will not be allowed to the lectures/practicals without being accompanied by his/her parents/guardians. Such irregular students will be punished heavily with fine and/or removal from the college.

For us, as an Institution, the environment and discipline in class & college is very important. The student being a vital component of the Education System - his/her irregularity adversely affects the performance of the system. Therefore, student will be solely responsible for their detention from University Examinations on account of his / her less attendance in theory/practical classes and unsatisfactory performance in term work assignment, practicals, tutorials, unit test(s) as the case may be.

Discipline :

We care for the future of our students and the environment to be given to them for their overall development and for achieving their cherished goals. It is therefore essential to maintain high standard of discipline with emphasis on self discipline by each & every student. It is the responsibility of every student to read and strictly observe the rules & regulations enforced by the institution to maintain the discipline.

The Property of the Institution has been painstakingly put together and hence needs to be carefully handled and looked after, so that students who follow, enjoy the high standards of the environment built up by the Institution. **It is reiterated that wilful damage to property will not be forgiven and stiff penalty will be imposed on defaulters.**

Students are advised to take care of their Identity Cards. A loss must be promptly reported. Duplicate Identity Card will be issued on payment of Rs. 150/- (Card Processing charges Rs.50/- & Fine Rs.100/-).

Loss of duplicate Identity Card will be viewed seriously and will attract a fine of Rs.500/- in addition to the processing charges of Rs. 50/-. Instructions on the Identity Card should be read and followed by all students.

Institute Rules & Regulations

1. All students admitted to the college and hostel are subject to the discipline and control of the college authorities. The students are required to adhere strictly to the rules and regulations that may be framed from time to time by the college authorities. Proper observance of college discipline, good conduct and participation in games and other events will play an important role in recommending for final University Examination or any special scholarships or for a job at the end of the course or for award of certificate when leaving the college. In case of breach of discipline, the Principal or the constituted authorities of the college are empowered to fine, or suspend or rusticate or even expel the concerned student from the college.
2. Students are not authorised to organise meetings or join in discussion on public matters, except as those organised in the college, or any other event recognised by the college.
3. **Ragging is prohibited vide Maharashtra State "Anti-Ragging Act, 1999". Any student found indulging in ragging in any form within or outside the college and hostel shall be immediately expelled from the college and necessary disciplinary action will be taken.**
4. Smoking, drinking alcohol and use of gutka and drugs are strictly prohibited.

Any student found guilty of defacing or damaging property like furniture, equipment fixtures, books, building, vehicles, etc. of the college or hostel shall be punishable with penal deduction and might be liable for expulsion from the college.
6. Students shall behave in a disciplined manner and follow all the instructions issued by the Principal, from time to time, and not indulge in any kind of indiscipline within or outside the premises of the college or hostel, that shall be unbecoming of a good student. Every student should endeavor to uphold the high ideals, the good name and the prestige of the institute.
7. No student should take the law into his/her hands, whatever the circumstances may be. Any case of personal violence by the student on any other persons will be viewed seriously and dealt with severely. Students should represent any difficulty or grievance directly to the Principal. The decision of the Principal in these matters shall be final.
8. Accessing, storing, viewing, transmitting, and/or circulating any pornographic and/or obscene material is strictly forbidden. Students are expected to co-operate in ensuring a virus free environment in the computer system.
9. Every student shall be regular and punctual in attending classes, tutorials and submission of assignments.
10. Students are required to appear for all the tests conducted by the college authorities and submit term work, otherwise they will lose marks proportionately.
11. Students are required to put in attendance of not less than 75%. Condonation of shortage of attendance will be granted only once during the course of 4 years, only under genuinity as assessed by Dean Academic & HOD.
12. The student shall handle the equipment issued to him with utmost care, and he/she will be held responsible for any loss or damage caused to the equipment.
13. Students should adhere to the dress regulations prescribed by the college.
14. No student shall be permitted to take the University Examination unless he / she has paid all his / her dues to the college / hostel, and his / her progress and attendance are found satisfactory.
15. Every student shall carry his / her identity card and shall produce it whenever called for.
16. Industrial visits and educational tours, as and when arranged by the college, are compulsory for every student. The student shall have to bear the full cost of such visit / tours.
17. College authorities, under no circumstances shall accept any liability in respect of an accident, which a student may meet with during his stay in the college or on an educational visit. The students are therefore, cautioned to conduct themselves in a reasonably careful way wherever they are.
18. If the progress of a student is consistently poor he/she may be advised to leave the course with due intimation to the parent / guardian.

19. The principal reserves the right to remove, from the rolls the name of the students for failure to pay the college / hostel dues in time.
20. The Principal reserves the right to delete, add or amend the rules and regulations given above as and when felt necessary.
21. **Possession of Mobile Phones in the college building during the working hours (i. e. 9:00 a. m. to 6:00 p. m.) is strictly banned & will be ceased permanently**

Action against ragging:

Maharashtra Prohibition of Ragging Act 1999 which is in effect from 15th May 1999 has the following provisions for Action against Ragging.

- a) Ragging within or outside of any educational institution is prohibited.
- b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and/or penalty which may extend to ten thousand rupees.
- c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
- d) Whenever any student or, as the case may be, the parent or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received, he/she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institution shall be final.
- e) If the head of the educational institution fails or neglects to act in the manner specified in section “d” above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section “b” above.
- f) Any acts or its amendments which may published from time to time by AICTE , Government or Judgments by Hon. Supreme Court of India , Hon. High Court of Bombay , etc. will be applicable to candidates & institutions covered under these rules of admission.
- g) Students/parents are informed to see the copy of AICTE regulations on curbing the menace of raging in Higher Educational Institutions, 2009 carefully read and fully understand the provisions contained in the said regulations.
- h) Students/parents are required to submit online Anti Ragging affidavit during the first semester classes. The facility to make affidavit is available in the Institute.

APTITUDE, COMMUNICATION & CRTP PROGRAM BY SEED INFOTECH PUNE:

■ RMCET has signed MOU with SEED Infotech, Pune for special training to all students of RMCET from SE, TE, BE & MMS. This program help student to improve their knowledge in terms of Aptitude Test, Basic English Communication and Interview Techniques.

PROLIFIC PROGRAM FOR E&TC & MECHANICAL & AUTOMOBILE ENGINEERING :

■ RMCET signed MOU with Prolific, Pune for E&TC and Mechanical students for Embedded and Design Tool. This Program gives added value to students in terms of knowledge and placement.

Geeks Lab :

■ RMCET has signed MOU with Geeks Lab for providing value added workshop on Cloud Computing, Ethical Hacking & Cyber Security, Robotics & Embedded System.

MONSTER COLLEGE PROGRAM:

■ RMCET has signed MOU with MONSTER COLLEGE PROGRAM for specially BE students for good placement as well as Aptitude Test. This helps students to improve their aptitude knowledge to crack campus and off campus drives.

MH 08 Racing!!!

About :

MH 08 Racing is a nonprofit organization from Rajendra Mane College of Engineering and Technology, Ambav- Ratnagiri. Team comprises of many students who have been active in various technical events and also students who have hands - on experience on working with automobiles, students who have no experience but serious interest have been considered.

- Secured 27th rank in Formula Bharat 2023 competition held at Kari Motor Speedway, Coimbatore.
- Participated in "FSEV Concept Design Challenge" held by Formula Bharat in 2020
- 27th National Rank in "Formula Bharat 2020 Competition."
- The only Indian team to Participate in FSUK an International Formula Student Event in 2019 held at Silverstone Circuit, London.
- Won the most Prestigious "Craig Dawson Most Valuable Team Member Award" in FSUK-2019.
- Winner of the "Best design race-car of India" award in 2018.
- Winner of the "Lightest race-car of India" award in 2018.
- Runner-up for "The Most Popular Race-car" award in Formula Bharat 2017.
- Winner of the "Best Design and CAE in FMAE" award in Formula Student 2017.

Team Full Throttle !!!

- GO Kart Design Challenge 2022 (Banglore) Runner up All Over India.
- Formula Kart Design Challenge 2019 (Coimbatore) 5th Rank Over All.
- Formula Kart Design Challenge 2019 (Pune) 11th Rank- Overall.
- Enduro Student India 2018 (Coimbatore) 39th Rank in Quiz -All Over India (Out of 105 Teams).
- National Kart Racing Championship 2016 (Kolhapur) 11th Rank in Endurance.
- Go Kart Design Championship 2016 (Coimbatore) 5th Rank - Overall.
- Student Karting Championship 2015 (Hyderabad) 1st Rank in Business.
- ISIE - Indian Karting 2014 (Coimbatore) 2nd Rank in skidpad test.
