

**Rajendra Mane College of Engineering and Technology, Ambav**

**Department of Automobile Engineering**

**Road Safety Awareness Program Report**

The road safety awareness program is organized by Automobile Engineering Department, RMCET, Ambav on 13/01/2023 at RMCET Seminar Hall in presence of RTO officers Ratnagiri and all students of RMCET. For that program respected Principal Dr. M.M. Bhagwat introduced the institute and delivered a great speech on road safety and engineering aspects.

The program starts at 12.15 PM with inauguration of poster presentation below dome of main building. Students from Automobile Engineering Department displayed and presented posters to the guests. ARTO Mr. Salunkhe and Mr. Khade delivered a nice session and given some important noting's on Road Safety and its awareness.

**AUTOTRENDZ** committee members and other AUTO students contributed to make grand success of this program. Mr. Shravan Karkare did anchoring and Mr. Vaishnav Deourakkar delivered a speech on road safety. Around 80 students and other staff members attended the program. HOD Auto delivered vote of thanks on behalf of RMCET.
