Take up one idea. Make that one idea your life - think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success.

**...Swami Vivekananda**

## From HOD's Desk

Welcome to this edition of our Pixel. We are happy about our reach and wish to reach even wider.

Computer Department aims to produce and develop quality engineers through imparting latest technological knowledge.

The message we would like to carry forward is everyone has a role to play however different it may be.

But every action counts!! Come join us! Time has come to start a social movement!

We invite all our readers to dream big and succeed in their missions!
