15. Multidisciplinary / interdisciplinary					
<p>Multidisciplinary or interdisciplinary learning is a comprehensive method that covers an idea, topic, or text by integrating multiple knowledge domains. It is a very powerful method of teaching that crosses the boundaries of a discipline or curriculum in order to enhance the scope and depth of learning. We offer Institute level Elective Subjects to students, which are offered in Curriculum by the affiliating University. Apart from that we encourage students to do Multidisciplinary Projects and also to work in cross Departmental Teams to participate in national level competitions like Formula Bharat etc.</p>					
16. Academic bank of credits (ABC):					
<p>Our College is affiliated to University of Mumbai and we are following University norms/Guidelines. As of now, it seems it is applicable only to Universities and Autonomous Colleges.</p>					
17. Skill development:					
<p>The National Education Policy (NEP) 2020 has given special emphasis on vocational education through integration and mainstreaming of vocational education with general education which will help students in acquiring various skills to meet the needs of the industries and to improve the quality of education. We have signed MOU with Technical training Institutes like Prolific Systems which can provide hands on training to students in their area of Interest in Latest Technology. We have signed MOU with Soft Skill training Institutes for soft skill development.</p>					

<p>18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)</p>
<p>AICTE in its 49th meeting of the Council held on 14th March 2017, approved a package of measures for improving the quality of technical education in the country, wherein it was decided that every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and strengthen language skills required for technical education. Accordingly, we are conducting the three-week Student Induction Program (SIP) based on Universal Human Values (UHV) in our college every year.</p>
<p>19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):</p>
<p>Outcome-based education (OBE) is an educational delivery model that focuses on mapping, measuring, and achieving predetermined educational goals to help students learn, develop, and nurture skills that would help them grow in their professional as well as personal life. For this purpose, 1.We have defined Institution’s Vision & Mission. 2. Established the Program Educational Objectives & Program Outcomes. 3. Established the Program Outcomes (POs) 4. Established the Course Outcomes (COs) 5.CO-PO Mapping and attainment is done at every stage of Learning journey of students.</p>
<p>20.Distance education/online education:</p>
<p>NEP 2020 recognizes online learning/education as an alternative model to deliver quality education. Online learning has proven its effectiveness during the COVID-19 pandemic. We encourage our students to undergo Online Courses offered by NPTEL, Infosys Springboard and other Platforms wherein students can learn various Courses of their Interest.</p>

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

All the programmes taught in the college are affiliated to University of Mumbai and hence, all departments are required to implement the syllabus prescribed by the University of Mumbai. The Timetable Committee headed by the Principal and a senior Faculty Member draws up a detailed timetable which efficiently deploys the units of time for academic and co-curricular purposes. The departments strive for effective curriculum delivery beginning with an entry-point assessment of the student's aptitude and expectations relating to the course; and proceeding according to a set of teaching plans detailed enough to cover the available timeframe. The apportioning of courses is done democratically through discussion and deliberations among faculties. Faculty members take utmost care to complete the syllabus in time. Students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. Extra hours are devoted to taking remedial classes to bolster students' preparedness before University examinations. Meetings

of IQAC, meetings of the Department with Principal and parent-teacher meetings are the forums where progress of the delivery of curriculum is regularly monitored and necessary actions are initiated. Interactive teaching is promoted through students' participation in group discussions, webinars/Seminars. Special lectures of eminent scholars are also arranged on topics related to the curriculum.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before the commencement of the academic year, the institution prepares and publishes 'Academic calendar' containing the relevant information regarding the teaching learning schedule (working days), various events to be organized, holidays, dates of internal examination, tentative commencement dates of semester examination etc. The academic calendar is prepared so that teachers should know all the activities regarding continuous internal evaluation process. The students' academic progress is monitored regularly by adopting the strategy of continuous internal evaluation, seminars, project work, internal examination, and semester examinations. After receiving enrolled list of the students' by the University, the college prepares seating arrangement chart, list of invigilators etc. Every department has to submit the compliance of the academic calendar as part of their annual submissions. In addition the internal audit conducted which ensures the compliance to verify with documentary evidence.

The process is as follows: Every teacher plans the teaching and evaluation schedule for assigned subjects. The Head of the department compiles the academic plan submitted by the teachers and ensures that there is no overlapping of the activities in general and the Continuous Internal Evaluation. The IQAC compiles the inputs received from the various departments and a comprehensive plan is prepared and uploaded on the college website. The stakeholders are aware of the academic calendar of college.

GOVERNANCE, LEADERSHIP AND MANAGEMENT**6.1 - Institutional Vision and Leadership**

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision Statement:

To empower the rural youth for better employment by providing engineering and management education.

Mission Statements:

- To prepare all students for successful career based on Strong Moral and Ethical Foundation.
- To produce quality engineers by providing state of the art engineering education
- To impart personality development skills to students that will help them to succeed.
- To encourage and facilitate faculty and students to work together across discipline boundaries.
- To bring up mutually beneficial partnerships with Alumni, Industry and Institutes.

Nature of Governance:

The governance system of the college aims to achieve the stated

goals. Prabodhan Shikshan Prasarak Sanstha’s Board of Directors provide the direction and guidance to the college for future development. The Board of Directors receives feedback and reports from Governing Council (GC), College Development Committee (CDC), Internal Quality Assurance Committee (IQAC) and Departmental Advisory Board (DAB). The representation of all stakeholders such as students, Parents, Alumni, industry personnel, faculty members and administrative staff is included in GC, CDC, IQAC and DAB. It helps the stakeholders to provide suggestions in policymaking. We have formed the statutory committees having representation of faculty and students, for smooth functioning of the college level activities.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college encourages for decentralization and participative management by involving stakeholders in decision making. Autonomy is given to the departments for planning, organizing and executing the academic activities according to the Academic Calendar. The college decentralizes the authority and provides operational autonomy to the committees. Committees for various institute level events are formed every year with their responsibilities and functions.

Case Study:

A particular reflection of this practice may be seen in the extensive delegation of authority to the Heads of the various Departments in the college. The Ways in which Heads of Departments participate in the Management Process:

- The Head of the Department oversees the Teaching Plans of his/her departmental members.
- He/she is empowered to make adjustments in the routine, and to allot teaching assignments and evaluation duties.

- He/she enjoys the privilege of convening departmental meetings where the programmes for the entire term are decided.
- He/she often takes the lead in planning seminars, workshops, career counselling sessions, remedial measures, departmental excursions and study tours.
- Heads of Departments plan, prepare and publish the departmental magazine in consultation with departmental colleagues.
- He/she organizes and conducts the Parent-Teacher meetings in which the academic progress of the students is communicated to their guardians.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Yes, the college has perspective plan for development.

The institution takes efforts in finding the key performance indicators from various perspectives for performance assessment and development.

It addresses the various issues from the stakeholders' perspective and takes steps to fulfil the requirements of students, parents, employers' and community etc.

CCTV installation:

Recently, we have installed CCTVs in hostel premises for the security and safety, which includes 04 boys' hostels, 2 Girl hostels and 01 staff quarter. Now our all entry points are under CCTV surveillance.

Digital Smart Classroom:

We have converted two classrooms into smart classrooms, which includes interactive white board, green board, projector, PC

with internet connection having 15 minutes backup in case of electricity failure, sound system, Wi-Fi, etc...

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The Institute conducts both Internal Audit and Statutory Audit. The Statutory audit is conducted by M/s.S R Pandit & Co., Chartered Accountants, Pune, which has professional standing of 40 years and good exposure to audit of educational institutes. During the Covid 19 affected periods of two years, the scale of educational activities were substantially reduced therefore scope and coverage of internal audit was comparatively less. The purpose of internal audit is to early detection of mistakes and timely taking corrective action.

The scope of statutory audit is to ensure financial state of affairs of the Institute as on date of balance sheet and operating results during the year under consideration. The statutory audit also ensures compliance or otherwise with various applicable provisions under The Maharashtra Public Trust

Act and Income Tax Act and other applicable Acts. The Statutory audit also reports on whether the Institute complies with applicable accounting standards issued by the Institute of Chartered Accountants of India. The responsibility of compliance with audit objections is entrusted to the respective institutional head and Board of Trustees. The compliance report is also sent to the Statutory Auditors.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The internal quality assurance cell is established in college to maintain and enhance quality of education. It sets benchmark and focuses on achieving the goals of the college as mentioned in vision & mission.

Academic Audit of Departments:

The college has designed the Academic Audit (AA) format along with detail guidelines. The IQAC conducts the Academic Audit every year. Following is the detail procedure to conduct the Audit,

1. IQAC forms committee for conducting the academic audit
2. The committee will prepare the schedule for conducting the audit
3. As per the schedule committee will visit to each department and check all NAAC files and personal file of each faculty.
4. The committee submit its report to IQAC and it will be discussed in IQAC meeting.
5. IQAC will take necessary action on recommendation of audit report

Mentoring of Students:

The activity of students mentoring and counselling is implemented and monitor by head of the respective department. The procedure followed for mentoring is as follows,

1. A group of approximately 20 students (Mentees) is assigned to the faculty (mentor) at the beginning of academic year.
2. The faculty member regularly interact with mentee students to understand their problems if any and communicate to HOD for necessary action.
3. Due to covid-19, the academic sessions for the year 2021-22 was conducted in online mode. Faculty mentors had a discussion with mentee students through WhatsApp, Google meeting and by calling over phone if required.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC takes review of teaching learning methodologies periodically and encourages our faculty members to use ICT tools and different teaching learning methods. IQAC has organised one day seminar on "Google Tools for online Teaching" for our all faculty members.

Conduct of online classes & Examination through digital mode:

All the theory classes were conducted in online mode using Google meet to benefit the students during pandemic situation. Each faculty member have formed the Google classroom for their assigned subjects. The study material is made available on Google classroom in the form of notes, PPT, eBooks, etc. Practical of few subjects were demonstrated using virtual Lab in online mode.

All the internal examinations were conducted in online mode using Google form. The end semester examinations were conducted

using Google forms as per the directives from University of Mumbai.

CO-PO Attainment:

All the programs have stated their Program Outcomes and Course Outcomes as per the guidelines of NBA and using Blooms taxonomy. The attainment of CO and PO is based on internal examination and university examination, which consists of internal examinations, Practical, assignments, end semester examination, Tutorials and Projects. The rubrics have been designed for practical, assignments & Projects. We have set benchmark for each Program Outcome (PO) and it will be redefined every year.
