A
Webinar on
"Engineering Graduation: Foreseeing Challenges and Overcoming Techniques",
on 6th September, 2020.

Mechanical Engineering Department successfully conducted Webinar On "Engineering Graduation: Foreseeing Challenges and Overcoming Techniques" on 6th September, 2020 at 11.00 am. The resource persons were Mr. Ganesh Walsange, MTECH-IIT, Guwahati, Deputy General Manager, TATA Motors, Pune and Mr. Devesh Agrawal, MTECH-IIT, Kharagpur, Senior Manager, TATA Motors, Pune.

Dr. Sachin Waghmare HOD Mechanical Engineering Department welcomed all the participants and resource persons and briefed about Mechanical Engineering Department during starting of the webinar.

During the webinar the Resource Persons discussed different opportunities after graduation and the ways of preparations, how to study smarter not harder, Importance of skills required to become successful and the way how to gain skills, how to work in team as member and leader, Importance of power of habits and how to adapt good habits, common interview questions, presently soft skills required for mechanical engineer. After webinar question and answer session was carried out, during which many students cleared their doubts.

Prof. A. V. Javir proposed vote of thanks to all participants and resource persons during the webinar. Total 139 students registered for the webinar and 101 students attended the webinar. The webinar was coordinated by Prof. A. V. Javir, Assistant Professor, Mechanical Engineering Department.

Webinar Coordinators :

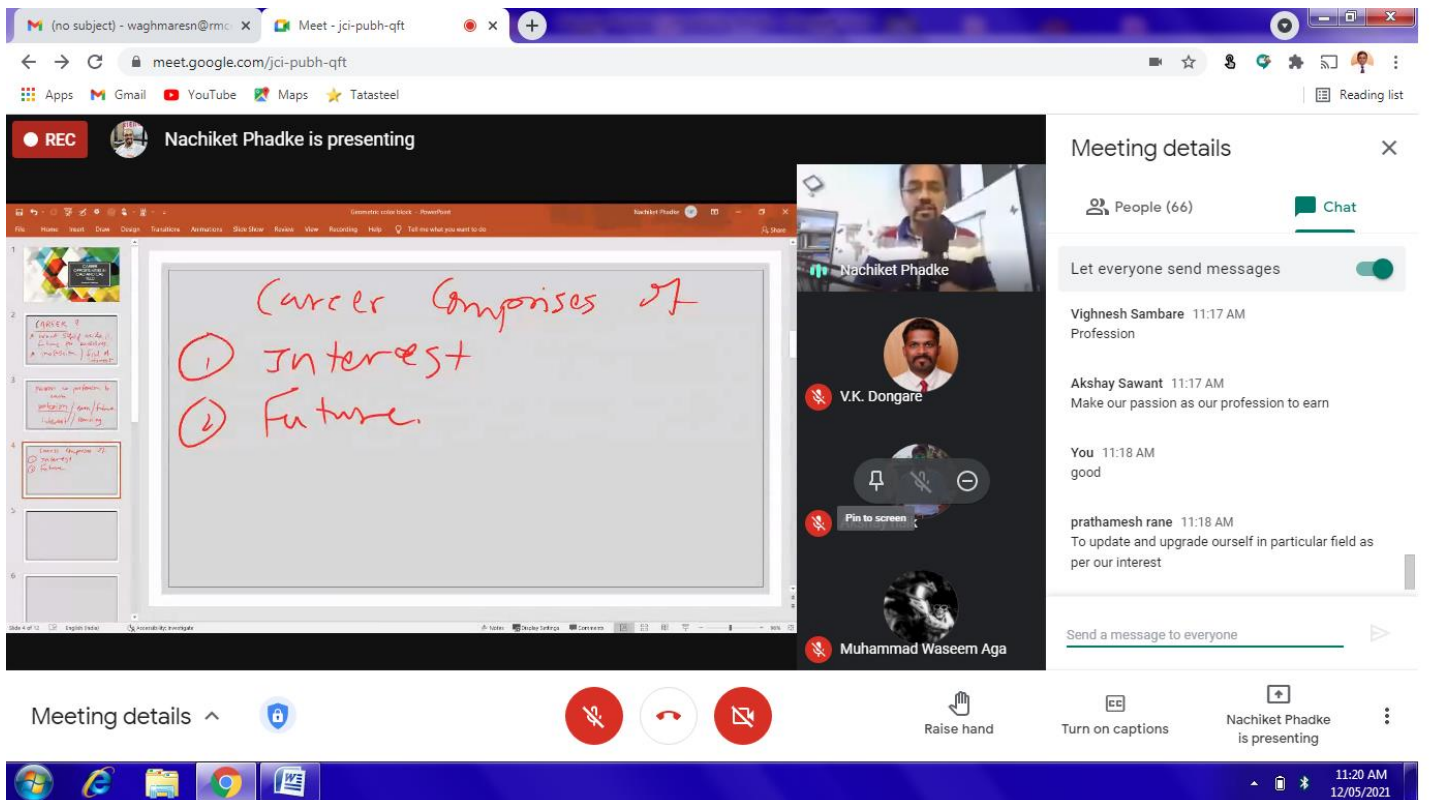

Dr. Sachin N. Waghmare, HOD & Prof. Vaibhav K. Dongare Asst. Prof.,
Mechanical Engineering Department.

(Flyer of the webinar)

During the webinar the resource person guides students about development in career with interest, Earn by taking interest, Future learning opportunities, Importance of professionalism, Job description for any recruitment, Explains use of tools for design, Preparation for interview, Importance of Design & Engineering and discussed various products.

(Students attending the webinar)

(Resource person during the webinar)

Total 63 students of SE, TE & BE Mechanical attended the webinar. The webinar was coordinated by Dr. S. N. Waghmare HOD & Prof. V.K. Dongare Assistant Professor Mechanical Engineering Department.

Webinar Coordinator: Dr. Sachin N. Waghmare, HOD, Mechanical Engineering Dept.

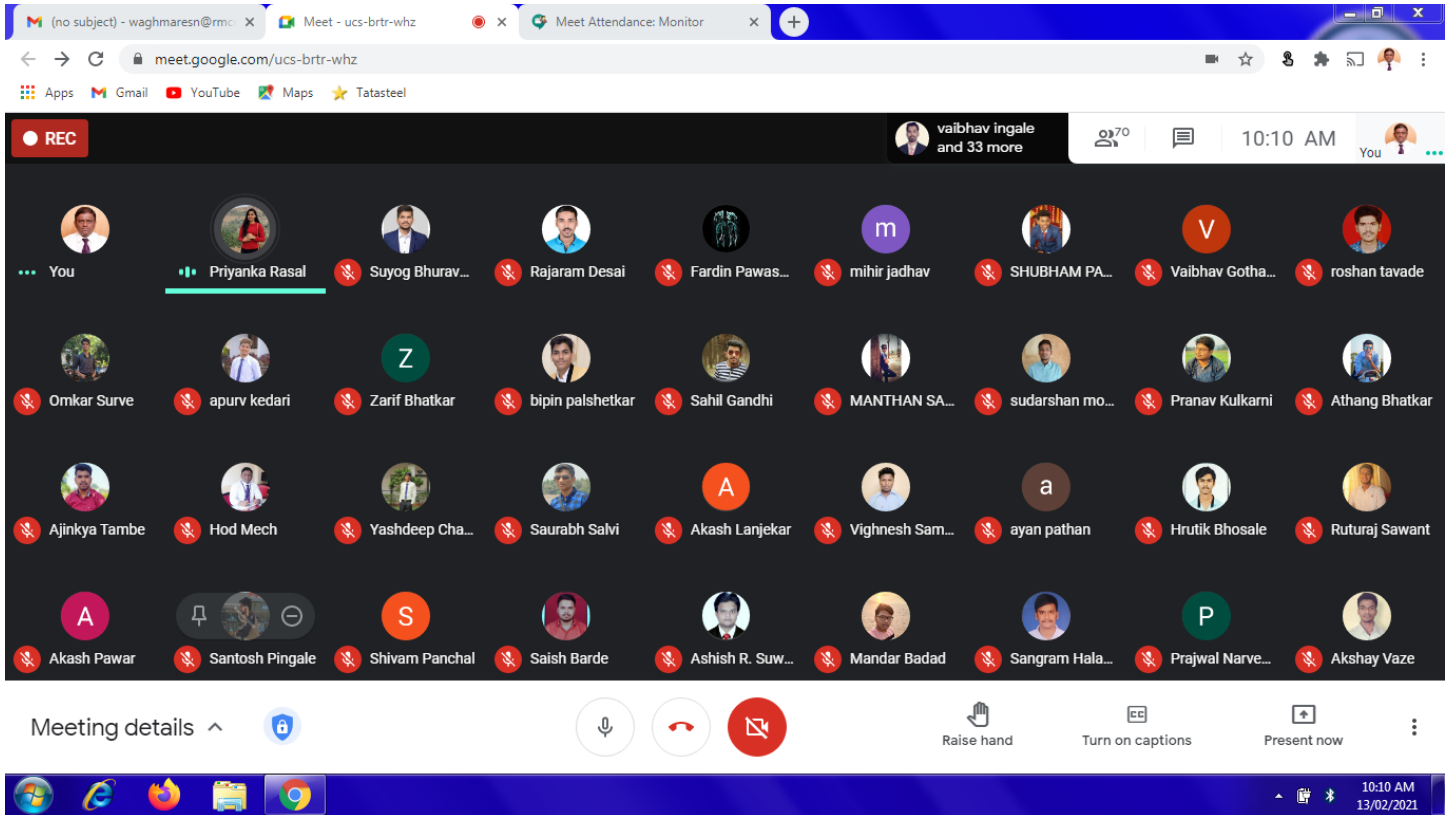

(Flyer of the webinar)

During the webinar the resource person explain The Infosys recruitment process for system Engineer and discussed about Online Test (This includes Reasoning Ability, Mathematical Ability & Logical Reasoning, Verbal Ability, Pseudocode and Puzzles), Technical Interview & HR Interview.

The resource person also briefed about Training which is divided into two sections:

- General Training-Python,Database,OOPS concept.

- Stream Training-core language training-java,dot net, SAP,c#,Automation, Testing technologies.
- Service Offering
- Testing in S/W Engineering-
- Manual testing
- Automation Testing-Selenium
- Sample code

(Students attending the webinar)

Total 67 students of SE, TE & BE Mechanical attended the webinar. Prof. A.R. Suware also attended the webinar. The webinar was coordinated by Dr. S. N. Waghmare HOD Mechanical Engineering Department.

A
Webinar on
"BMS-MEP Engineering", on 29th August, 2020.

Mechanical Engineering Department successfully conducted a webinar "BMS-MEP Engineering" on 29/08/2020 at 11.00 am. Total 129 students registered for the webinar and 62 students attended the webinar. The resource person was Er. Museb R. Modak Distinguished Alumnus Mechanical Department RMCET, presently working as Mechanical Design Engineer Siemens Limited Liability Company Abu Dhabi, UAE.

Dr. M M Bhagwat principal RMCET welcomed all the participants and resource persons and briefed about college during starting of the webinar.

During the webinar the Resource Person not only theoretically explained about BMS-MEP Engineering but also practically shown the entire Layout, Control Panel and BMS control room and explain building management system and mechanical electrical piping /fire fighting engineering, importance of safety required, responsibilities of BMS engineer, uses of HVAC, role of HVAC engineer, different tools of HVAC engineer, softwares of HVAC and different HVAC systems. Prof. V.K. Dongare attended the webinar.

During vote of thank Dr. Sachin Waghmare HOD Mechanical Engineering urged all students to make career in BMS-MEP Engineering to avail the opportunities in India as well as across the world.

Thanks to all HODs and Staff members. Thanks to Principal Dr. M. M. Bhagwat for his kind presence and guidance during starting of the webinar. The webinar was coordinated by Dr. S. N. Waghmare HOD Mechanical Engineering Department.
