## **Anti-Ragging Pledge**

We, the students and faculty of RMCET, Ambav, solemnly pledge that we will not indulge in any form of ragging. We affirm our commitment to upholding the dignity and rights of all individuals, ensuring a ragging-free environment on campus.

We vow to treat every individual with respect, kindness, and equality, regardless of background, appearance, or beliefs.

We understand that ragging is a punishable offense and is contrary to the values of our institution. We pledge to refrain from participating in, or encouraging, any form of ragging, either directly or indirectly.

We commit to fostering a culture of compassion and safety, ensuring that our campus remains a place where everyone feels valued and supported.

We pledge to stand against ragging and to support those who may be victims, helping to create a positive, healthy, and safe environment for all.

Together, we can make our campus ragging-free.

**Event 1: Orientation programme of Internal Complaint Committee**

**Date: 05<sup>th</sup> September, 2023.**

**Venue: Class room no. 08**

**Objective of the Event:** (i) To improve the status and dignity of women in the society.  
(ii) To sensitize the students against the sexual harassment and make them aware of the policy on these issues and the support system available at the Institute.

**Outcome of the Event:** (i) Know where to complaint about sexual Harassment at workplace and college.  
(ii) Know the process how to complaint about sexual Harassment at workplace and college.

Internal Complaint Committee has organized an "Orientation Session" on **05<sup>th</sup> September, 2023** for Second year Computer, Mechanical and Automobile Engineering student. Member of the committee, Prof. Bagayatkar K. M. oriented the students. Total 54 students and 02 staff members were present for the session.

## **Event Report**

### **Informal Talk with Industrial Experts**

#### **Session 02**

**Speaker:** Mr. Omkar G. Rewale

**Current Designation:** Sr. Design Engineer

**Company:** Vertiv Energy, Thane

**Date :** 20<sup>th</sup> January, 2024

Student Council of RM CET has arranged Interactive Sessions with Industry Experts. In order to break any kind of barriers, session was titled as “ **Informal Talk with Industry Experts**”. Main Motive behind this activity was to generate bridge between students and Current Technological Advances in the Industry. This was one small step to make our students 'Industry Ready'. We believed that, Alumni can better corelate to current situation of students and they can guide their juniors better than any other third person and to our expectation inputs from Expert were truly valuable towards the fulfillment of the main motive behind this series of sessions.

Mr. Omkar G. Rewale Alumni of Mechanical Department (AY 2012-2013 ) was invited as the expert for this session. Omkar shared his experience as a Design Engineer in current Job Scenario. Then he talked about his journey towards becoming successful professional in his domain. He also shared few of the latest technologies used in his field of Product Dsign. He also narrated importance of Learning different CAD/CAM Software. Main focus was given on Geometric Dimensioning and Tolerancing (GD & T). Target Audience was Students from TE, BE Mechanical Engineering Department. Total 20 Students Attended Session.

Speaker shared certain areas and skills like Dimensioning and tolerancing, on which students can start working from their second year in engineering itself, so that at the end of fourth year they will be ready to get absorbed in any company. He also shared ready references for further Learning. It was indeed very well executed session and participants enjoyed it thoroughly. We were overwhelmed by the positive feedback from the students.

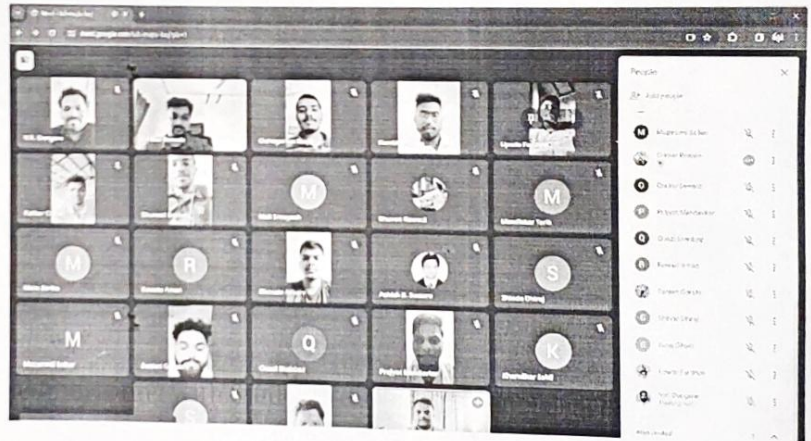

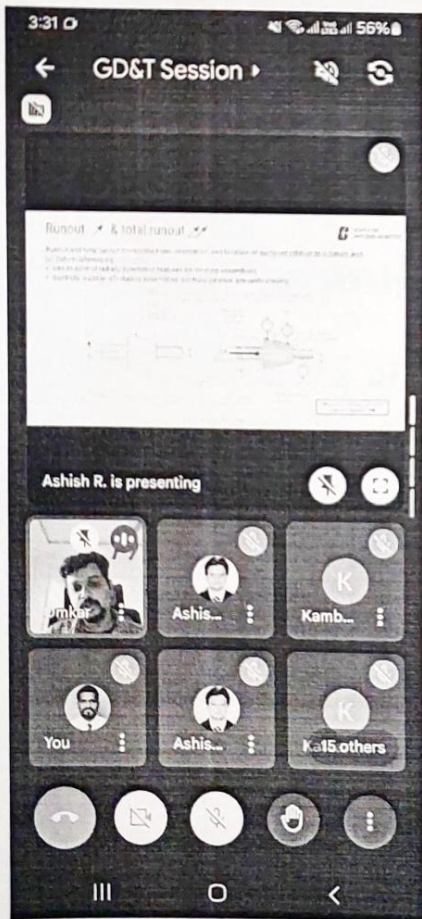

Student Council Team with Special Efforts from Mr. Shubham Bhat (President) organized and conducted this session. Prof. A. R. Suware (Faculty Head) took efforts in planning this session. Efforts taken by Student Council were appreciated by Principal sir. On the positive note, Expert assured to conduct One day Workshop on Recent Techniques used in Product Design Cycle.

RM CET Student Council

Event Report

## Informal Talk with Industry Expert

Speaker: Mr. Akshay Kalambate

Current Designation: Engineering Lead

Company: Persistent Systems, Pune

Date: 16<sup>th</sup> March 2024

Student Council of RM CET has arranged Interactive Sessions with Industry Experts. In order to break any kind of barriers, session was titled as “**Informal Talk with Industry Experts**”. Main Motive behind this activity was to generate bridge between students and Current Technological Advances in the Industry. We believed that, Alumni can better correlate to current situation of students and they can guide their juniors better than any other third person and to our expectation inputs from Expert were truly valuable towards the fulfillment of the main motive behind this series of sessions.

Mr. Akshay Kalambate Alumni of Computer Department (AY 2015-2016 ) was invited as the expert for this session. Akshay shared his experience as a fresher Job seeker in current Job Scenario. Then he talked about his journey towards becoming successful professional in his domain. He also shared few of the latest AI technologies like Yoodli, Gamma, Merlin, MidJourney, Sourcegraph cody, etc which will help students for career building. He also narrated importance of Academic Projects and internship in the process of Job Preparation. Target Audience was Students from SE, TE and BE Computer Engineering Department. Total 60 Students Attended Session.

It was indeed very well executed session and participants enjoyed it thoroughly. We were overwhelmed by the positive feedback from the students. Student Council Team has organized this session. Prof. M. G. Gore took efforts in planning this session. Principal also motivated Student Council Team to arrange more such sessions for other branches too.

# **RM CET Student Council**

## **Event Report**

### **Informal Talk with Industrial Experts**

#### **Session 02**

**Speaker:** Mr. Museb Modak

**Current Designation:** BMS Engineer

**Company:** Siemens LLC, Abu Dabhi(UAE)

**Date :** 13<sup>th</sup> April, 2024

Student Council of RM CET has arranged Interactive Sessions with Industry Experts. In order to break any kind of barriers, session was titled as “ **Informal Talk with Industry Experts**”. Main Motive behind this activity was to generate bridge between students and Current Technological Advances in the Industry. This was one small step to make our students ‘Industry Ready’. We believed that, Alumni can better corelate to current situation of students and they can guide their juniors better than any other third person and to our expectation inputs from Expert were truly valuable towards the fulfillment of the main motive behind this series of sessions.

Mr. Museb R. Modak, an alumnus of the Mechanical Engineering Department (AY 2017-2018), was invited as the expert speaker for this session. Museb shared his insights on the current job scenario for HVAC Engineers and discussed his journey toward becoming a successful professional in his domain and an Authorized Energy Auditor. He highlighted some of the latest technologies used in HVAC monitoring and emphasized the importance of learning various Building Management System (BMS) software.

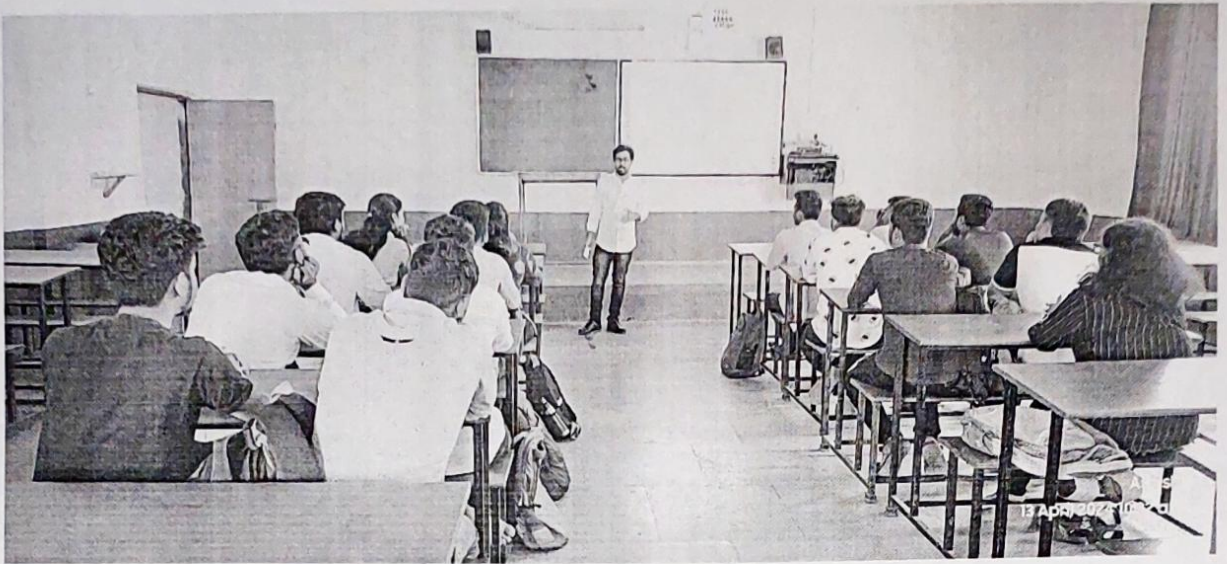

During the session, Museb provided a detailed demonstration of a Siemens BMS for one of his clients. He thoroughly explained the process of fault detection and maintenance. The target audience comprised students from the third and fourth years (TE, BE) of the Mechanical Engineering Department, with a total of 16 students in attendance.

The speaker also shared his experience as an authorized Energy Auditor, encouraging students to consider this career path after graduation. He provided ready references for further learning and highlighted relevant courses available in India. The session was executed exceptionally well, and the participants found it highly engaging and informative. We received overwhelmingly positive feedback from the students.

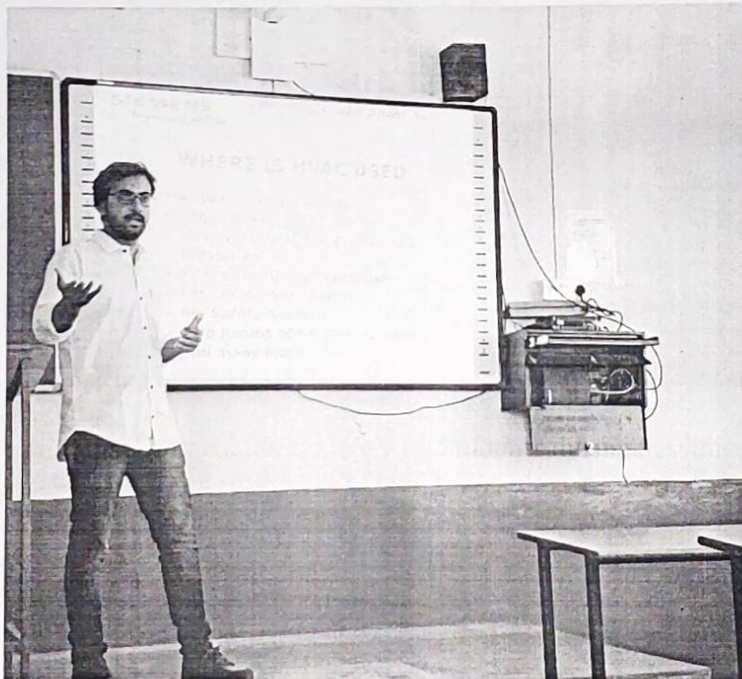

The session was organized and conducted by the Student Council team, with special efforts from Mr. Shubham Bhat (Student Council President) and Mr. Adwait Shelatkar (ISHRAE President). Prof. A. R. Suware (Faculty Head) played a crucial role in planning this session. The efforts of the Student Council were appreciated by the principal. On a positive note, the expert assured to conduct a session on freelancing opportunities available as an Energy Auditor
