### **Report on results and details of Students Satisfaction Survey (SSS) 2020-21:**

Students are an asset for any educational organization and they are real agents of growth, strength and continuous self- analysis of a college. Considering the importance of their opinions and suggestions the survey was initiated via Google form in a multiple choice question format. The objective of the survey is to provide students a platform to share their opinions & perceptions in relation to teaching-learning process and suggest improvement areas. The following broad areas were covered in the Student Satisfaction Survey:

1. Academic and Teaching
2. College Library
3. College Administration
4. Extracurricular Activities

A student will have to respond to all the questions given in the following format with her/his sincere effort and thought. Her/his identity will not be revealed.

A) Please confirm this is the first and only time you answer this survey.

- a) Yes    b) No

B) Age:

C) Gender:

- a) Female    b) Male

D) What degree program are you pursuing now?

- a) Bachelor's    b) Master's

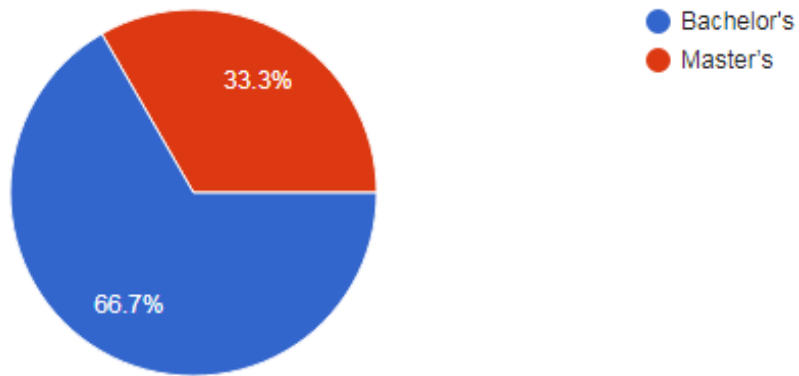

#### **Instructions to fill the questionnaire**

- All questions should be compulsorily attempted.
- Each question has five responses, choose the most appropriate one.

The responses given by the students for the questionnaire provided to the students are given below.

78 responses

### 15. How satisfied have you been with transportation service?

78 responses

### 16. Give observation / suggestions to improve the overall development in our institution.

36 responses

Transportation service can be improved
No any.
I would suggest to implement 100% digital library.
1.Gym facility and equipment inside gym can be improve! Also provide a one gym trainer so student can do exercise properly and effectively without having any injury. 2.Provide Design Related long term detailed courses for mechanical and Automobile students so they do not have to face struggle after completion of degree. 3.Please equipped Mechanical& Automobile Lab with Electric and Hybrid vehicle related models also. So students can easily get familiar with modern advanced technology.
No suggestions

Total 78 students responded to Student Satisfaction Survey. The analysis of the survey conducted shows that, students were highly satisfied on the Teaching Learning Process of the institution. Students have expressed satisfaction over the laboratory up gradation, transportation, hostel and mess facilities.

The parameter like institutional ability in inculcating soft skills, life skills and employment skills among the students to the world of works, fairness of the evaluation and conduction of examination, institutional interest in promoting internship, field visit opportunities for students,

teaching with ICT tools by the faculty along with the appropriate teaching Pedagogy has been rated high in the survey.

**Action Plan:**

- Students to be encouraged to enroll for NPTEL Courses.
- Use of E-Library facilities to be promoted.
- To improve infrastructure facilities.
- To keep up the supportive attitude.

All in all, the inputs collected were taken into consideration to improve the overall learning experience for students.
