

REPORT

Date: 08/10/18

Nature Club arranged one day Nature trek at “**Khorninko Dam, Temples in Rajapur Taluka**” on 07th Oct. 2018. 68 students alongwith 4 staff members and 2 non-teaching staff from all branches of engg and MMS attended the tour. During the tour first we visited petrographs at Devihasol and then petrographs at Devache Gothane. Where we informed the students about results of scientific researchs being going on these graphics.
