

NSS DAY CELEBRATIONS

(24th SEPTEMBER, 2019)

The NSS day was celebrated on 24th September, 2019 in our college in seminar hall. The program is started by playing NSS song to students. Program was attended by all the NSS volunteers and the faculty members. Various posters about Swachha Bharat mission were displayed on the wall.

AWARNNESS ON ROAD SAFETY

(26th September, 2019)

As part of Observance of Road safety day, in the NSS week Mumbai Universty, NSS unit organized Road safety day in our college on 26th September 2019. In this programme Professor Belekar R. D. gave seminar & show video clip of RTO Ratnagiri on Road safety.

AWARNNESS ON AIDS

(28th September, 2019)

Rajendra Mane college of Engineering & Technology organized **AIDS AWARENESS programme on Role of youth in Prevention and awareness of AIDS** under **NSS unit** on 28th September **2019 at Seminar Hall**. The rampant spread of the HIV/AIDS virus over the past 30 years has created the most significant global public health crisis in modern era. Acquired Immuno Deficiency Syndrome (AIDS) caused by Human Immuno-deficiency Virus (HIV) is posing a serious challenge to the conceptual foundations and the practice of development planning worldwide. Nearly half of the new HIV infections are occurring in young people¹. HIV/AIDS is retarding economic growth by destroying human capital by mainly affecting the young adults in the age group of 15–24 years who are in their most productive ages of life. Vidya Mane & Vaishali Pujari delivers a seminal on Aids Awareness. In this seminar she gave detail information about Aids & what are the precautions should be taken to avoid Aids.

Organ Donation Program

(30th September, 2019)

Due to lack of awareness, there are myths and fears in peoples 'mind about organ donation. The aim of this day is to motivate normal human beings to pledge to donate organs after death, and to spread awareness about the importance of organ donation.

Organ Donation is donating a donor's organs like heart, liver, kidneys, intestines, lungs, and pancreas, after the donor dies, for the purpose of transplanting them into another person who is in need of an organ.

According to a survey In India every year about:

500,000 people die because of non-availability of organs, 200,000 people die due to liver disease, and 50,000 people die because of heart disease. Moreover 1,50,000 people await a kidney transplant but only 5,000 get among them.

The organ donor can play a big role in saving others' life. The organ of the donor can be transplanted to the patient who needs it urgently.

Organ Donation Day is observed every year on 13th of August. But some issues our college NSS unit celebrated this day on 30th September 2019. This day is celebrated by arranging seminar on Organ donation. Mr. Karkhanis sir delivered a seminar on Organ donation. In this seminar he explained why organ donation is important for others life. He appeals all students to fill up form of Organ donation as early as possible.

SWACHHATA ABHIYAN (02nd October 2019)

The idea of Swachhata Abhiyan mooted by the Prime Minister Narendra Modi is as commendable as the selection of the day for its launch on 2nd October, the Birth Anniversary of the Father of the Nation. Mahatma Gandhi himself practiced and preached lessons of cleanliness. On the occasion of Birth anniversary of Mahatma Gandhi, Swachhata abhiyan is arranged on 02nd October 2019 in college campus. About 36 NSS students have participated to clean the college campus, classrooms & main entrance of the college. Principal Dr. M. M. Bhagawat, Prof. Belekar R. D., Prof. Parulekar V. W. have also take initiative to encourage the students about cleanness. The students were given Snacks after successful completion of programme.
