

Voters Awareness Program (06th Oct, 2018)

Voter awareness program was arranged for our staff & students in our college on 06th October 2018. This awareness programs aimed at new voters and those who never vote. Healthy voting practices help create a strong democracy, and a free and fair vote is the fundamental tool through which citizens can express their political preferences and developmental wishes. We are dedicated to sensitizing voters about the importance of participating in the electoral process as a way to ensure a responsive, accountable and democratically elected government.

Mr. Sandip Kadam from Tahasildar office, Devrukh delivered a speech on Voter awareness. He guided our students about Voter Awareness is a series of events to increase public awareness and participation in the upcoming election. Voting is a responsibility, and an action in which every member of society should partake. In particular, our youth need to understand that their vote can make a difference. Your vote holds your local and national leaders responsible for the decisions they make. Your vote sends a message about the issues you think are important. Your vote affirms your right as a free citizen to elect our government and take part in democracy. Without voting, there could be no democracy. It is your duty to vote intelligently. Do not waste your right to vote. Vote because you care about your community. Vote because it will make you feel good to participate and have a say. Vote because it's the right thing to do. When we vote, we choose the representatives who will make the laws and policies that govern how we live together.

After that Mr. S. V. Rathod form Election department Devrukh explain about how to fill 06 number form for registration for new voters. Finally Principal Dr. M. M. Bhagwat appeals to all students to fill up the voter registration form & give your valuable vote in upcoming election.

Mr. Belekar R. D., Mrs. Parulekar V. V. & NSS Volunteers have taken great efforts to conduct programme smoothly.
