

**ACTION TAKEN REPORT ON ACADEMIC PERFORMANCE AND AMBIENCE OF
THE INSTITUTION FEEDBACK OBTAINED FROM VARIOUS STAKEHOLDERS**
Academic Year 2019-20

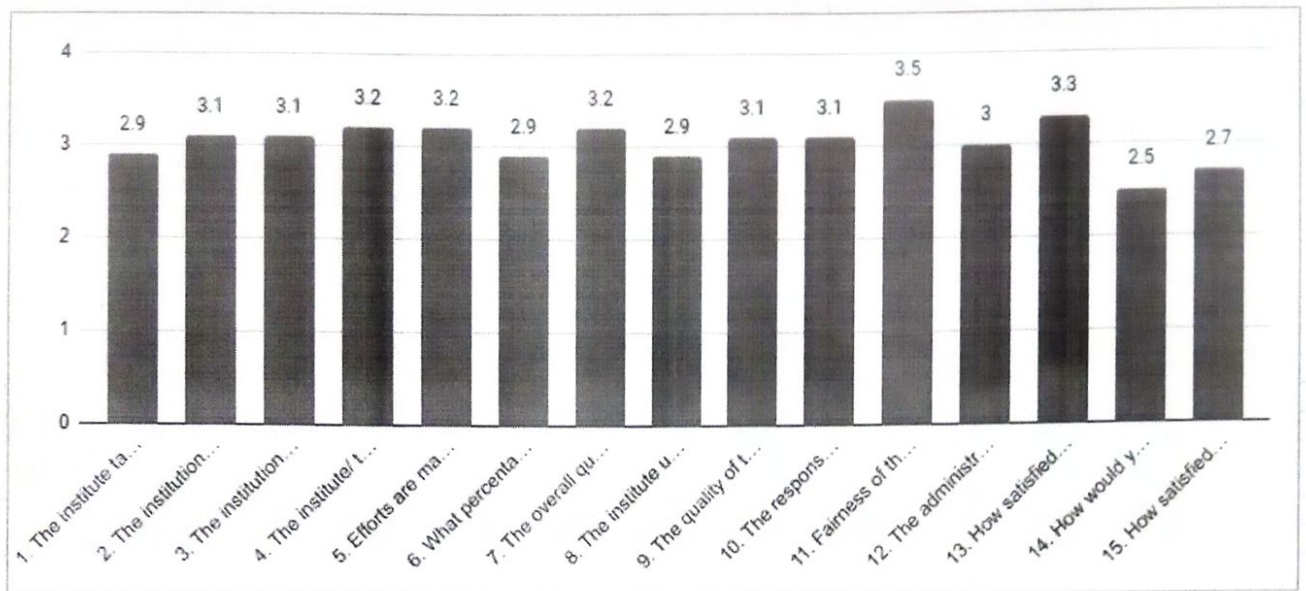

To enrich the quality of teaching and learning as well as to enhance employ-ability of students, feedback from stakeholders is invaluable. The feedback form consists of items specific to the stakeholders and there are statements which are rated on a 5 point rating scale and one item is qualitative in nature for their open comments. Feedback is taken anonymously from the stakeholders.

We collected online feedback relating to the satisfaction of stakeholders (Student/ Alumni / Faculty/ Employer) towards academic performance and ambience of the institution. After receiving the feedback in the structured format, the IQAC analyzes them and a report is submitted to the higher authority and the management. The information provided is used as important feedback for quality improvement of the teaching and learning process of the institution.

1. Students Feedback

The feedback on academic performance and ambience of the institution from students were obtained after the end of each academic session. Student's opinions were measured on a five-point scale (4 - Strongly agree/3 - Agree/2 - Neutral/1 - Disagree/0 - Strongly disagree). For analysis, all samples of feedback of students from all the Departments were selected.

The data collected has been analyzed and the results given below.

Analysis of the feedback

The analysis of the results is carried out based on the weighted average of all responses. It indicates that students strongly agree with the fairness of the evaluation process and conduction of examinations. They agree with all other parameters. Most of the students are happy with the academic performance of the institute.

Some major comments from students are Food quality should be improved, Practically knowledge should be give students so that it will be better for future, Overall observation is good, Everything is excellent , The college is over all in good condition, Conduct various Seminars for us, like ,recent trends in the economy, Recent skills required for jobs,Interaction with Industry Specialist etc etc

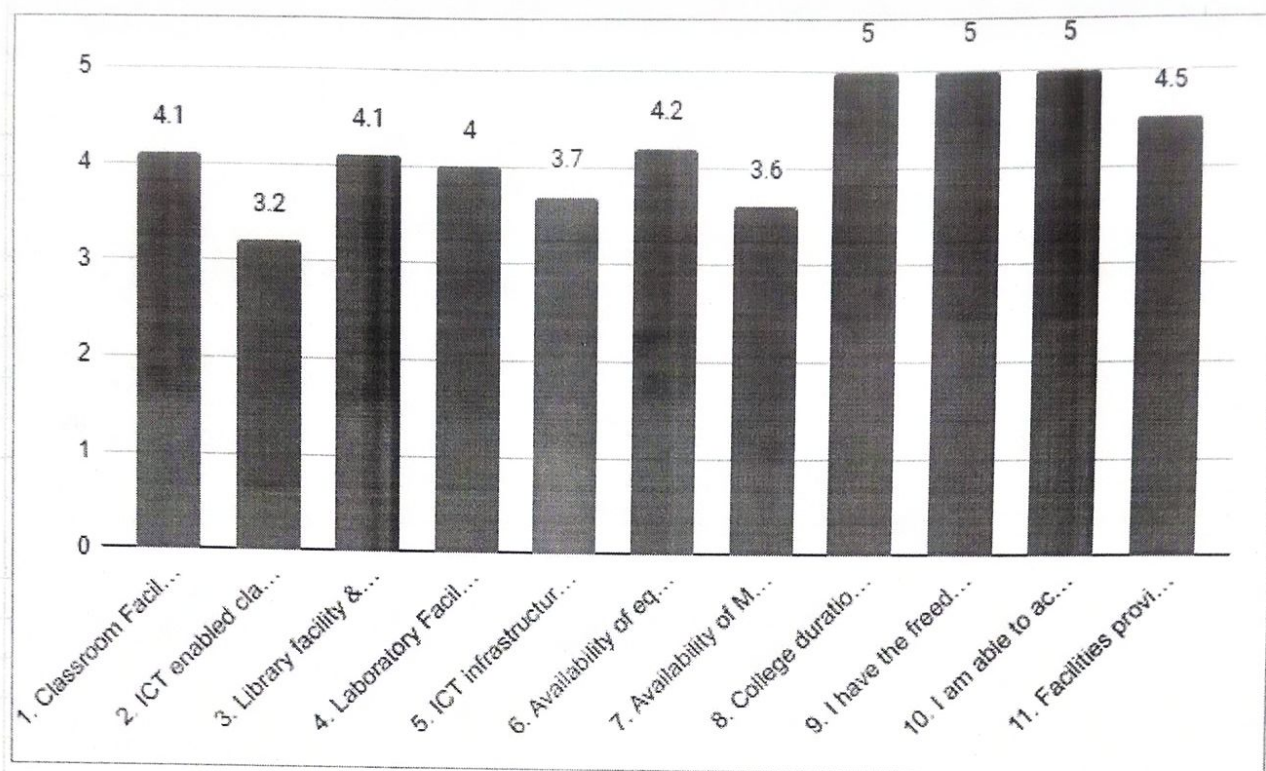

Action Taken:

The Student responses were analyzed to prepare a summarized report which was communicated with higher authority. All the mess contractors were called for meeting and instructions were given to improve the quality of food.

2. Teachers Feedback

The feedback on academic performance and ambience of the institution from all teachers were obtained after the end of each academic session. Teacher's opinions were measured on a five-point scale (Excellent-5 /very Good-4 /Good-3 /satisfactory-2 /Unsatisfactory-1). For analysis, all samples of feedback from all the Departments were selected.

The data collected has been analyzed and the results given below.

Analysis of the feedback

The analysis of the results is carried out based on the weighted average of all responses. It indicates that teachers have rated excellent for college duration hours, freedom and facilities provided by college. They rated mostly good and very good to all other parameters.

Teachers have mainly pointed out that colleges should take initiative to develop ICT enabled classrooms, ICT infrastructure of the Institute.

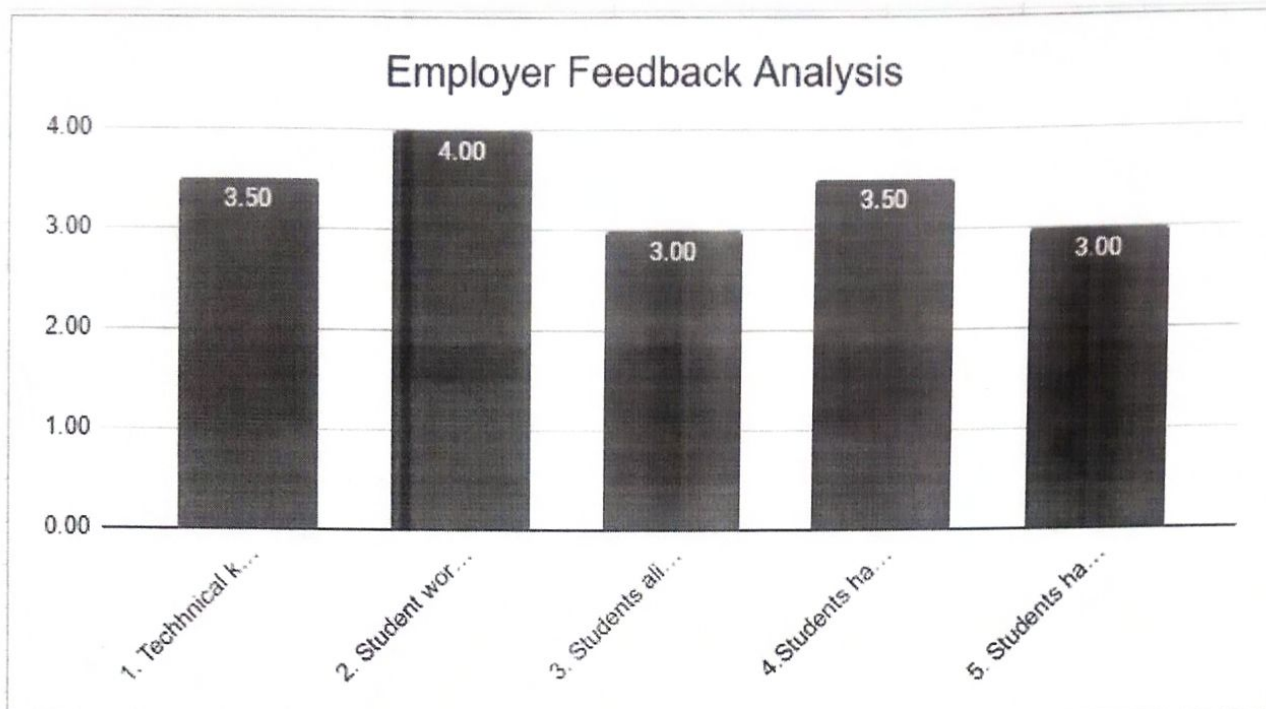

Action Taken:

The teacher's responses were analyzed to prepare a summarized report which was communicated with higher authority for further action.

3. Employers Feedback

The feedback on academic performance and ambience of the institution from employers students were obtained after the end of each academic session. Employer's opinions were measured on a five-point scale (Excellent-5 /very Good-4 /Good-3 /satisfactory-2 /Unsatisfactory-1). For analysis, all samples of feedback were selected.

The data collected has been analyzed and the results given below.

Analysis of the feedback

The analysis of the results is carried out based on the weighted average of all responses. It indicates that employers have rated it very good for technical knowledge of the students, students being able to work as part of a team. The rated good for students align themselves to the demanding needs of the industry and students have the required managerial / leadership qualities. No specific suggestions for improvement in skill of RMCET student is given.

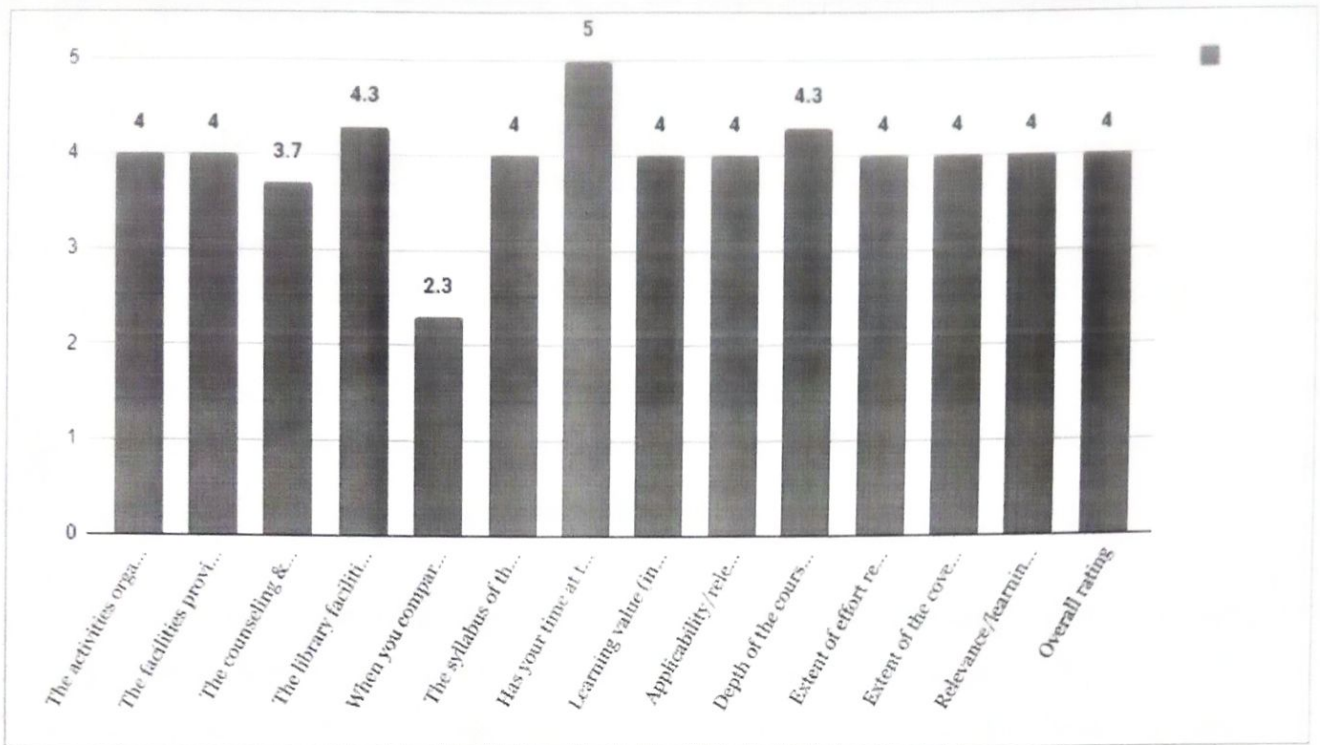

Action Taken:

The employer's responses were analyzed to prepare a summarized report which was communicated with higher authority for the reference.

4. Alumni Feedback

The feedback on academic performance and ambience of the institution from alumni were obtained after the end of each academic session. Their opinions were measured on a five-point scale (4 - Strongly agree/3 - Agree/2 - Neutral/1 - Not Disagree/0 - Strongly not agree). For analysis, all samples of feedback were selected.

The data collected has been analyzed and the results given below.

Analysis of the feedback

The analysis of the results is carried out based on the weighted average of all responses. It indicates that alumni strongly agree with almost all questions asked in feedback. They are neutral about only the point that when you compare yourself with other counterparts from other colleges/universities, you feel that you got most of all the facilities and plus some extra which is not available in other colleges.

Action Taken:

The alumni responses were analyzed to prepare a summarized report which was communicated with higher authority for necessary action.
