## **ACTION TAKEN REPORT ON ACADEMIC PERFORMANCE AND AMBIENCE OF THE INSTITUTION FEEDBACK OBTAINED FROM VARIOUS STAKEHOLDERS**

**Academic Year 2021-22**

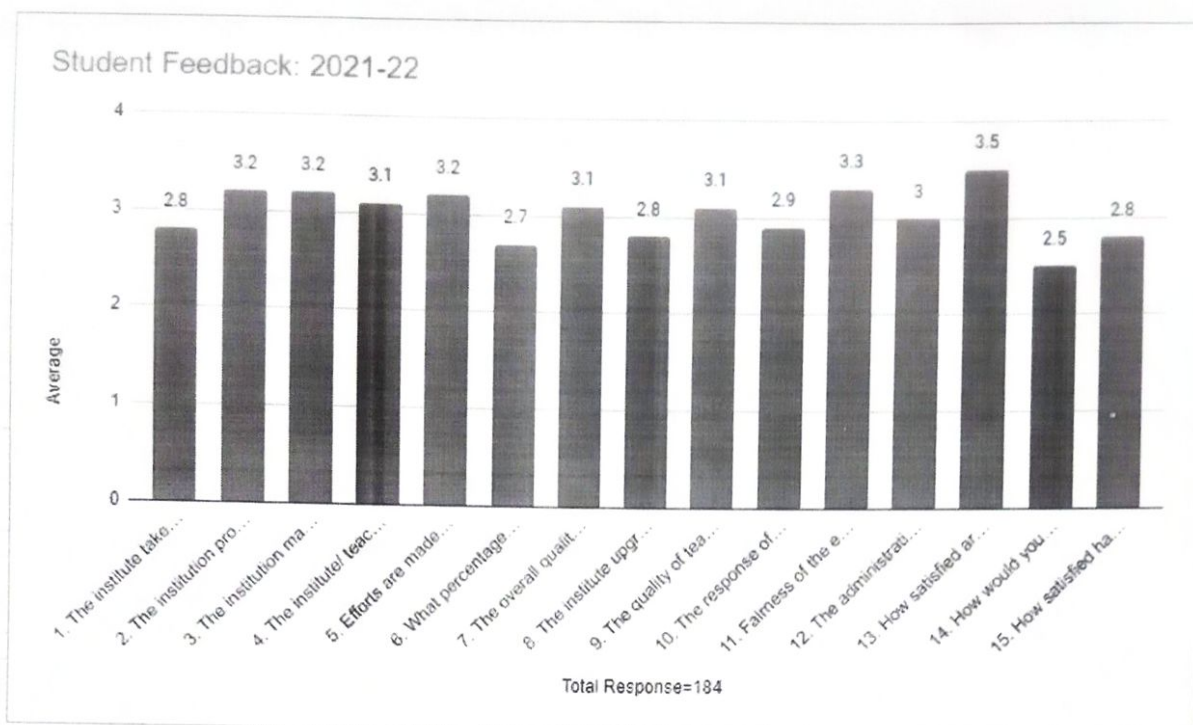

To enrich the quality of teaching and learning as well as to enhance employ-ability of students, feedback from stakeholders is invaluable. The feedback form consists of items specific to the stakeholders and there are statements which are rated on a 5 point rating scale and one item is qualitative in nature for their open comments. Feedback is taken anonymously from the stakeholders.

We collected online feedback relating to the satisfaction of stakeholders (Student/ Alumni / Faculty/ Employer) towards academic performance and ambience of the institution. After receiving the feedback in the structured format, the IQAC analyzes them and a report is submitted to the higher authority and the management. The information provided is used as important feedback for quality improvement of the teaching and learning process of the institution.

### **1. Students Feedback**

The feedback on academic performance and ambience of the institution from students were obtained after the end of each academic session. Student's opinions were measured on a five-point scale (4 - Strongly agree/3 - Agree/2 - Neutral/1 - Disagree/0 - Strongly disagree). For analysis, all samples of feedback of students from all the Departments were selected.

The data collected has been analyzed and the results given below.

### Analysis of the feedback

The analysis of the results is carried out based on the weighted average of all responses. It indicates that students agree that almost all points asked in feedback form i.e.the institute takes active interest in promoting internship, student exchange, field visit opportunities for students. Most of the students are happy with the academic performance of the institute. About the hostel, mess and canteen facilities students are rated near in between neutral and agree.

Some major comments are Excellent college campus, The institute is good, upgrade the teaching method and change the older equipments in the laboratory, More practicals with latest technology and interactive tools, mess and hostel facility need to be improved etc.

### Action Taken:

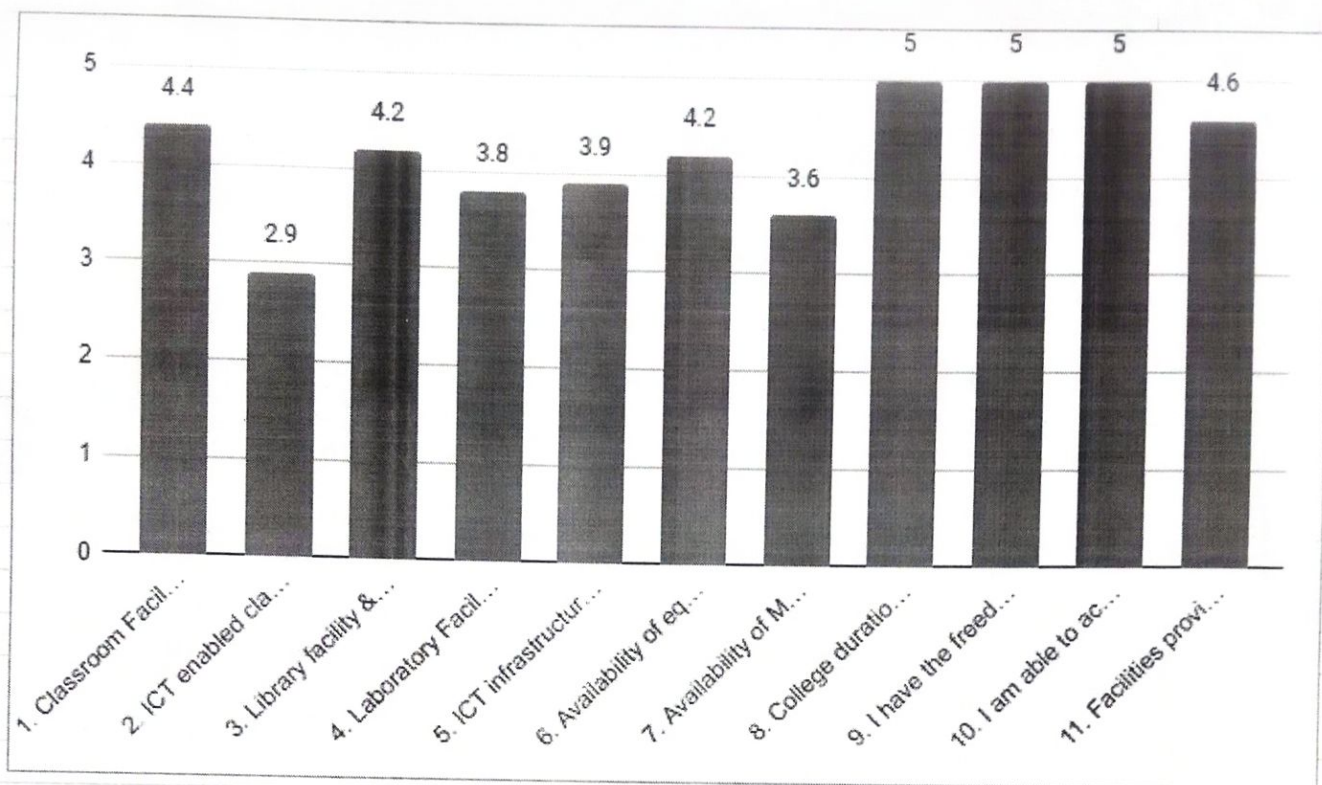

The Student responses were analyzed to prepare a summarized report which was communicated with higher authority for necessary action regarding upgradation of laboratories.

### 2. Teachers Feedback

The feedback on academic performance and ambience of the institution from all teachers were obtained after the end of each academic session. Teacher's opinions were measured on a five-point scale (Excellent-5 /very Good-4 /Good-3 /satisfactory-2 /Unsatisfactory-1). For analysis, all samples of feedback from all the Departments were selected.

The data collected has been analyzed and the results given below.

### Analysis of the feedback

The analysis of the results is carried out based on the weighted average of all responses. It indicates that teachers have rated excellent for college duration hours, freedom and facilities provided by college. They rated mostly good and very good to all other parameters.

Teachers have mainly pointed out that colleges should take initiative to develop lab facilities, ICT enabled classrooms, ICT infrastructure of the Institute.

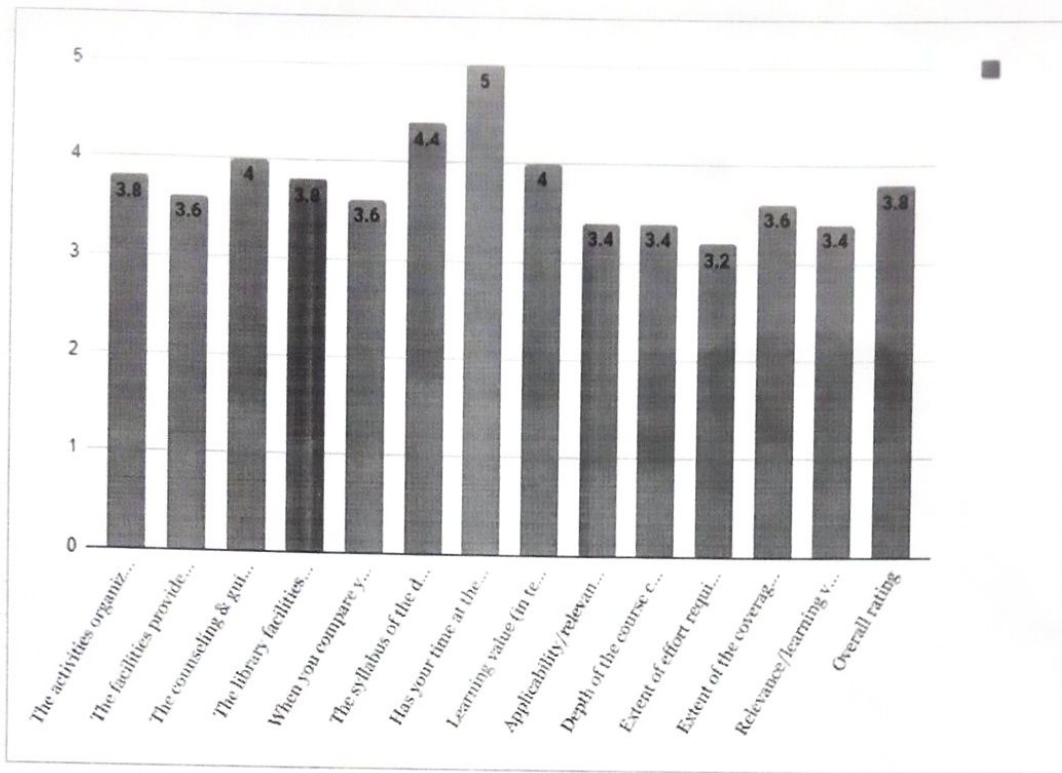

### Action Taken:

We have initiated the process to upgrade ICT infrastructure by adding two smart classrooms and wifi routers.
