

Organ Donation Program

(30th September, 2019)

Due to lack of awareness, there are myths and fears in peoples 'mind about organ donation. The aim of this day is to motivate normal human beings to pledge to donate organs after death, and to spread awareness about the importance of organ donation.

Organ Donation is donating a donor's organs like heart, liver, kidneys, intestines, lungs, and pancreas, after the donor dies, for the purpose of transplanting them into another person who is in need of an organ.

According to a survey In India every year about:

500,000 people die because of non-availability of organs, 200,000 people die due to liver disease, and 50,000 people die because of heart disease. Moreover 1,50,000 people await a kidney transplant but only 5,000 get among them.

The organ donor can play a big role in saving 'others' life. The organ of the donor can be transplanted to the patient who needs it urgently.

Organ Donation Day is observed every year on 13th of August. But some issues our college NSS unit celebrated this day on 30th September 2019. This day is celebrated by arranging seminar on Organ donation. Mr. Karkhanis sir delivered a seminar on Organ donation. In this seminar he explained why organ donation is important for others life. He appeals all students to fill up form of Organ donation as early as possible.

स्वच्छता शपथ

महात्मा गांधी ने जिस भारत का सपना देखा था उसमें सिर्फ राजनैतिक आजादी ही नहीं थी, बल्कि एक स्वच्छ एवं विकसित देश की कल्पना भी थी।

महात्मा गांधी ने गुलामी की जंजीरों को तोड़कर माँ भारती को आज़ाद कराया।

अब हमारा कर्तव्य है कि गंदगी को दूर करके भारत माता की सेवा करें।

मैं शपथ लेता हूँ कि मैं स्वयं स्वच्छता के प्रति सजग रहूँगा और उसके लिए समय दूँगा।

हर वर्ष 100 घंटे यानी हर सप्ताह 2 घंटे श्रमदान करके स्वच्छता के इस संकल्प को चरितार्थ करूँगा।

मैं न गंदगी करूँगा न किसी और को करने दूँगा।

सबसे पहले मैं स्वयं से, मेरे परिवार से, मेरे मुहल्ले से, मेरे गांव से एवं मेरे कार्यस्थल से शुरुआत करूँगा।

मैं यह मानता हूँ कि दुनिया के जो भी देश स्वच्छ दिखते हैं उसका कारण यह है कि वहाँ के नागरिक गंदगी नहीं करते और न ही होने देते हैं।

इस विचार के साथ मैं गांव-गांव और गली-गली स्वच्छ भारत मिशन का प्रचार करूँगा।

मैं आज जो शपथ ले रहा हूँ, वह अन्य 100 व्यक्तियों से भी करवाऊँगा।

वे भी मेरी तरह स्वच्छता के लिए 100 घंटे दें, इसके लिए प्रयास करूँगा।

मुझे मालूम है कि स्वच्छता की तरफ बढ़ाया गया मेरा एक कदम पूरे भारत देश को स्वच्छ बनाने में मदद करेगा।

SWACHHATA ABHIYAN in College Campus (21st January 2020)

Indians gained freedom under the leadership of Gandhiji, but his dream of a clean India is still unfulfilled. Mahatma Gandhi said "Sanitation is more important than independence". He made cleanliness and sanitation an integral part of the Gandhian way of living. His dream was total sanitation for all. Cleanliness is most important for physical well-being and a healthy environment. It has bearing on public and personal hygiene. It is essential for everyone to learn about cleanliness, hygiene, sanitation and the various diseases that are caused due to poor hygienic conditions. The habits learnt at a young age get embedded into one's personality. Even if we inculcate certain habits like washing hands before meals, regular brushing of teeth, and bathing from a young age, we are not bothered about cleanliness of public places. Mahatma Gandhi said, "I will not let anyone walk through my mind with their dirty feet."

Gandhiji dwelt on cleanliness and good habits and pointed out its close relationship to good health. No one should spit or clean his nose on the streets. In some cases the sputum is so harmful that the germs infect others. In some countries spitting on the road is a criminal offence. Those who spit after chewing betel leaves and tobacco have no consideration for the feelings of others. Spittle, mucus from the nose, etc, should also be covered with earth.

Keeping in mind above views of Mahatma Gandhi we organized Swachhata Abhiyan drive in our college campus. In this drive our NSS volunteers were cleaned total campus of college. Principal Dr. M. M. Bhagawat, Prof. Belekar R. D. has also take initiative to encourage students about cleanness. The students were given Snacks after successful completion of program.
