

International Yoga Day (21st June 2018)

The purpose of International Yoga Day is to promote yoga and endeavor towards making it a part and parcel of everyone's daily routine. The benefits of a yogic routine are many, hence, motivating everyone to practice yoga is a must on this International Yoga Day. Yoga is a mystic and ascetic Hindu discipline by which one seeks to achieve liberation of the self and union with the supreme spirit or universal soul through intense concentration, deep meditation, and practices involving prescribed postures, controlled breathing, etc.

As per the directives of Government of India, NSS Unit of Rajendra Mane College of Engineering and Technology, Ambav (Devrukh) organized International Yoga Day on 21st June 2018. It was celebrated with active participation of students and faculty members. Our Principal Dr. M. M. Bhagwat guided all the participants about various Yogasanas. He shared views about the importance Yoga in keeping healthy life. He also congratulated the NSS Unit for successful organization of the event and expressed gratitude towards the participants. All the NSS members' viz. Mrs. V. W. Parulekar (Asst. Prof.), Mr. Belekar R. D. (Asst. Prof.) took great efforts for the effective organization of the event. .

Seminar on “Personality Development” for TE Computer

By Mr. Jadhav S.D.

Asst. Prof. MMS department,

RM CET, Ambav.

Date: 25/09/2017.

Objective of the Seminar:

The objective of the training programme is bring about personality development with regard to the different behavioral dimensions that have far reaching significance in the direction of organizational effectiveness.

Outcomes: Students learn from this seminar following things

- 1) Needs of personality.
- 2) Personal health impact on our personality.
- 3) Need of dressing sense.
- 4) How your behaviors impact on your personality.

From TE Computer **18** students have attended this session.

Sub: Invitation for conducting a seminar on “PERSONALITY DEVELOPMENT”.

Dear Sir,

As you may be aware, Rajendra Mane College of Engineering & Technology-Ambav, is one of the most reputed engineering Institutions in Ratnagiri District and known for its excellence in Konkan region. On behalf of Department of Computer Engineering, Rajendra Mane College of Engineering & Technology-Ambav, we would like to invite you to conduct a seminar on “PERSONALITY DEVELOPMENT” for the T.E. Students on 25th September 2017.

We shall be grateful for a favorable response.

Thanking you.

Subject: Permission to arrange training workshop on Creo Software

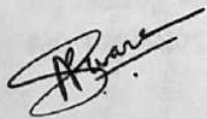

Respected Sir,

We are planning to arrange 4 days Training Workshop on **Creo** - 3D Modeling Software. We are planning to schedule workshop from **25th May to 28th May 2019**. Resource Person for the same will be **Mr. Rakesh Patil**. Total 6 students from B.E. Mechanical Engineering are going to attend the workshop.

We are requesting you to kindly permit the same.

Thanking You.

Yours Faithfully,

Mr. A. R. Suware.

RAJENDRA MANE COLLEGE OF ENGINEERING AND TECHNOLOGY, Department of Mechanical Engineering

A Workshop on

“Creo Parametric 4.0”

From 25/05/19 to 28/05/2019

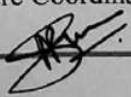

Department of Mechanical Engineering had organized a workshop on “Creo Parametric 4.0” From 25/05/19 to 28/05/2019. Resource Person for the session was Mr. Rakesh Patil, Design and Training Engineer at A3L Ed Pune.

This workshop was conducted for four days in CAD/CAM Lab. The session was very interactive. The main aspects covered in the workshop were-

- ❖ Software demonstration
- ❖ Introduction to Surfacing with various commands
- ❖ Practicing various case studies related to surface modeling
- ❖ Introduction to sheet metal
- ❖ Studying various commands related to sheet metal
- ❖ Practicing commands for effective use
- ❖ Working on various case studies such as drawing and development of sheet by sheet metal tools
- ❖ Preparation for Tool Test at Different Design Industries and Hands on Practice on different software tools.

The workshop was attended by 8 students of Mechanical Engg. Dept. Dr. S. N. Waghmare and Mr. A. R. Suware Coordinated the workshop.

Mr. Suware A.R.

Training Proposal

Skill Development

**To,
Principal
RMCET, Devrukh, Dist. Ratnagiri, MH.**

Skill development training proposal which helps to enhance the employability skills of the young talent and gives value additions to beat the competitive edge.

H & B Campus Connect

Office No. B 103, Sumanshilp,
Survey No.32/3, Near Siddhi Lawns,
Narhe-Dhayari Road, Narhe, Pune - 411041.
Call.: 9890442727 | www.hbcampusconnect.in

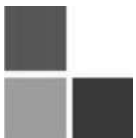

H&B Campus Connect Skill Development Program is designed to enhance the employability skills of student and making them employable during their regular academics, which consists of 5 soft skills modules Basic English, practical English, communication skills, personality development & Aptitude.

Objectives of the Proposal

- H&B Campus Connect** aims at delivering high quality, updated training to students, within the college campus that will help them enhancing employability skills.
- These trainings will also help the colleges increasing their brand value. Recruiting companies will certainly appreciate this value-added training to the students.
- The training covers both the technical topics as well as the areas of developing soft skills at a substantially discounted price.
- Preparing the students up to the industry expectations by having co-creation activities with stake holders in colleges.

Why H&B Campus Connect

- H&B Campus Connect** operates in IT Training, Soft Skills, Project Management, Consulting and Staffing domain of IT & ITES
- Offers employability training solutions in IT / Mechanical / 3 D Printing Technology etc... we offers both individual as well as college & corporate training programs

The following Modules in Soft Skills are recommended

a) English Language (Basic to Advanced)

The basic level English module, especially for the students coming from a vernacular back-ground. This module will become a foundation for further advance understanding of the English language.

The course content out-line is as follows:

- Parts of Speech
- Articles
- Sentences & Types of Sentences
- Sentence construction (Simple sentences)
- Tenses
- Transformation Sentences
- Verbal Ability
- Creative writing
- Technical Literature (Comprehension)

This course will help students to develop reasonable understanding of grammatical construction of working level English. It will also help to free them from the fear of language. It also helps them to overcome Mother Tongue Influence on the language.

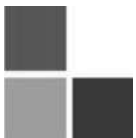

b) Communication Skill (CS)

In any professional scene, one who needs to be successful must be able to communicate clearly his thoughts, his emotions, his actions and his decisions. One also needs to understand others in similar context. Communication in any language plays a very important role in developing one`s personality and ability to conduct his responsibilities successfully.

The course content out-line is as follows:

- Attitude Orientation & confidence Building
- Effective Communication (Practice)
- Public Speaking skills
- Assertive & Negotiation skills
- Power of Listening, speaking and writing

This course will enable students to express themselves in reasonable level of English and participate in English conversation.

c) Personality Development (PD)

Having proper etiquettes, confidence, positive attitude and pleasing personality guarantees one not only success in changing situations, but also helps him create long lasting relations with stake holders. First impression is made in the first opening 7 seconds and only a good personality will help in making a lasting impression.

The course content out-line is as follows:

- Personality
- Self-Awareness
- Staying Motivated
- Managing Time and Designing your Goal
- Stress Management
- Corporate Etiquette (Dressing and grooming)
- Resume Building and GD/PI (Including Mocks)

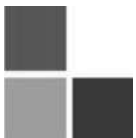

This course guides you to have a healthy personality, know yourself, nurture creativity, design your own goals, have a team alliance and thus project a professional image. This also steers you for a success in job interviews.

d) Quantitative Aptitude

In selection process of all the major companies, Aptitude test is always the first round. If somebody fails in aptitude, even though his academics is excellent, his communication is excellent he/she will not get opportunity to go for further rounds of interviews.

The course content out-line is as follows:

- Quantitative Aptitude
- Logical Reasoning
- Analytical Reasoning
- Revision / Doubt Solving
- Test series

Terms and conditions

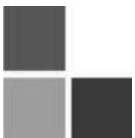

- 1) Fees are inclusive of taxes as per Government norms with condition to provide tax deduction certificates on time.
- 2) 50% amount of the total billing to be paid by college in advance (at least 4 days) before commencement of the training.
- 3) Balance 50% will be paid by college within 7 days of completion of the entire training program.
- 4) Scheduling of the training will assure minimum 6 hours for a single trainer in a day.
- 5) **H&B Campus Connect** will provide assessment and certificates after completion of the training and payment clearance.
- 6) College will assign one SPOC who will plan the batches and track the schedule as decided.
- 7) Regular feedback of the training will be provided to Single Point of Contact (SPOC) of college by the Trainer.

Hope this proposal is in line with your expectations. We look forward to opportunities of working together.

Please feel free to contact if have any query regarding this.

“How to make yourself fit for the job”

Academic Year 2020-21

Resource person: - Mr. Venugopal Adep, Technical Delivery Manager, TIAA, Mumbai.

Coordinator: Mr. Isak A Shiklgr. (Assistant Professor, EXTC RMCET)

About workshop:

Webinar on How to make yourself fit for the job has been conducted by Mr. Venugopal Adep, to cover following points: -

- Current status of jobs after engineering
- Do you need to graduate in Computer Science to get jobs in IT?
- How to choose right Career?
- How to acquire the skills required for the job?

The Webinar gives face to face discussion with the expert for various skill sets required to work in the field of Jobs and working environment, considering students future and career.

Duration:

It was one-hour Online session.

Date: 20 Aug 2020.

Numbers of beneficiary:

The students of Second, third & final year EXTC have attended this Seminar.

Seminar On "Career Guidance" (Online)

Date: 21-8-2021

Seminar Conducted by: Ms. Mangale S.R. (TPC & Asst.Prof., Computer Engg. Dept., RMCET)

Objectives:

To create awareness among students about

1. Choosing appropriate Career path
2. Industrial Expectations
3. Personality development
4. SWOT analysis.

Outcome: Student will be able to apt opportunities for them in different fields to build their prospective careers.

Targeted Participants: Final year Computer Engg. Students

No. of Participants: 25

Attendance:

3-Days Workshop On "Interview Preparation"

Date: 6-8 December 2021

Workshop Conducted by: Mr. Gosavi M. G. (TPO, RMCET)

Ms. Mangale S.R. (TPC & Asst.Prof., Computer Engg. Dept., RMCET)

Objectives:

1. To give each student a realistic perspective of work and work expectations, to help formulate problem solving skills, to guide students in making appropriate and responsible decisions.
2. To create awareness about Resume Writing, Soft skills, Personal Qualities & Work Ethic
3. To train them for Interpersonal and Teamwork Skills

Outcome: Upon successful completion of the workshop, graduates will be able to use their learned skills for better employment.

Topics Covered: Group Discussion, Personal Interview, Mock Interviews, Resume Writing.

Targeted Participants: Final year Computer Engg. Students and MMS Students

No. of Participants: 18

Workshop On "Web Development" (Online)

Date: 28-31 December 2021

Workshop Conducted by: Ms. Mangale S.R. (TPC & Asst.Prof., Computer Engg. Dept., RMCET)

Objectives:

1. To understand the principles of creating an effective web page, including an in-depth consideration of information architecture.
2. To develop skills in analysing the usability of a web site.
3. To learn the language of the web: HTML and CSS.
4. To develop basic programming skills using JavaScript and jQuery.
5. To design website using Bootstrap.

Technologies Used: HTML, CSS, JavaScript, jQuery and Bootstrap.

Outcome: Upon successful completion of the workshop, graduates will be able to use their learned skills, knowledge and abilities to develop web sites.

Targeted Participants: Final year Computer Engg. Students

No. of Participants: 31

Seminar on "Career Guidance"

Date: 2/3/2022

Seminar Conducted by: Ms. Mangale S.R. (TPC & Asst.Prof., Computer Engg. Dept., RMCET)

Objectives: To create awareness among students about

1. Choosing appropriate Career path
2. Industrial Expectations
3. Personality development
4. SWOT analysis.

Outcome: The Student will be able to do SWOT analysis of their own and prepare them for interview.

Targeted Participants: Second year Computer Engg. Students

No. of Participants: 37

Photos:

Choosing a suitable career option influences a student's course of life. Taking informed decisions at the right time could bring in wonderful opportunities as opposed to wrong ones, which could ruin a student's future, as these decisions are often irreversible. Hence, Department of Computer Engineering has taken initiative and organized **Career Guidance** seminar for SE Computer Engg. Students.

Session on "Internshala Opportunities"

Date: 6/4/2022

Seminar Conducted by: Mr. Bhavesh Sawant (TECOMP student, RMCET & Intern from Internshala)

Coordinated by: Ms. Mangale S.R. (TPC & Asst.Prof., Computer Engg. Dept., RMCET)

Objectives: To create awareness among students about

1. Internshala Trainings & Opportunities
2. Resume building by Internshala
3. How to learn and Earn from Internshala
4. Certifications by Internshala

Outcome: The Student will be able to train themselves by learning Internshala courses and can Earn too.

Targeted Participants: Second year Computer Engg. Students

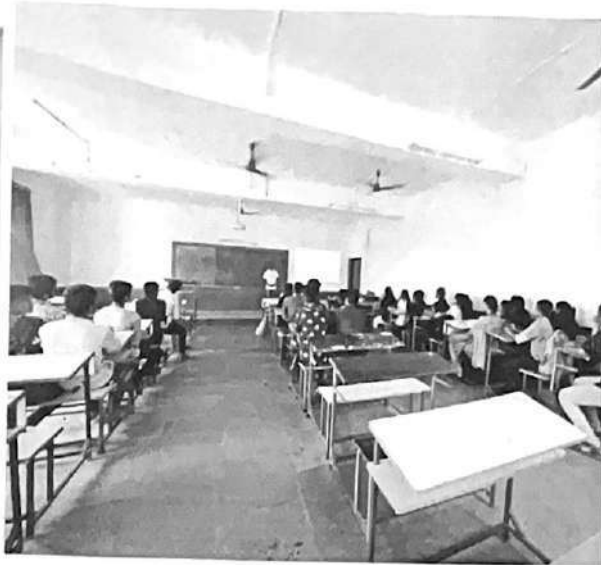

No. of Participants: 31

About Internshala: Internshala is a technology company on a mission to equip students with relevant skills & practical exposure through internships and online trainings.

Report of Online Expert session on
“ Webinar on Embedded Systems”
Academic Year 2021-22

Resource person: - Mr. Nikhil Dongardive & Ms. Pallavi Jadhav, from - Teknomindz
Institute of Advance Technology - Pune.

Coordinator: Mr. Tatugade A. A. (Assistant Professor & I/C H.O.D., EXTC RM CET)

About workshop:

The Online Webinar on Embedded Systems has been conducted by Mr. Nikhil Dongardive & Ms. Pallavi Jadhav, to cover material relevant to Embedded Systems. The Webinar gives face to face discussion with the expert's for various skill sets required to work in the field of Embedded Systems, considering students future and career.

Webinar covers following points: -

- Ø Concept of Embedded systems.
- Ø Industries for Embedded systems.
- Ø Concept of IoT(Internet of Things)
- Ø Working principle of IoT.
- Ø Industries for IoT.
- Ø Practical on IoT based Home Automation.
- Ø Job openings for Embedded systems and IoT.

Duration:

It was two hrs. Online session.

Date: 23/07/2021.

Numbers of beneficiary:

Total 19 students of third & final year EXTC have attended this Seminar.

Hi Mr. Ajit Tatugade (HOD - EXTC at RM CET – Ambav, Devrukh - Ratnagiri),

Greetings from Teknomindz....!

Hope you are doing well and safe.

As discussed and decided on 19th July 2021, we would like to conduct free webinar session on **23rd July 2021** for the students of Rajendra Mane College of Engineering and Technology.

Please find below webinar details:

1. Embedded System with IoT:

- Concept of Embedded systems.
- Industries for Embedded systems.
- Concept of IoT(Internet of Things)
- Working principle of IoT.
- Industries for IoT.
- Practical on IoT based Home Automation.
- Job openings for Embedded systems and IoT.

Time: 2:15 PM

Duration : 1 hr.

2. Industrial PCB Designing:

- Basics of PCB designing.
- PCB Fabrication process.
- Introduction to schematic and footprint
- Introduction to multilayer and vias
- Types of PCBs.
- Job openings for PCB designing.

7/23/2021

Rajendra Mane College of Engg & Tech., Ambav Mail - Webinar details for RMCET

Time: 3:15 PM

Duration : 1 hr.

Please find below Google meet link for Webinar:

Friday, 23 July

Google Meet joining info

Fri, Jul 23, 2021 at 5:05 PM

Thanks for conducting "Webinar on Embedded Systems" today on _23_07_2021. It was a great experience for our students.

I invite you next week on Thursday, 29th July 2021, for the webinar on "PCB Designing" from 2:15PM to 4:15PM.

Thanks and Regards...

Mr. A. A. Tatugade.

Asst. Professor and In-charge Head of Electronics and Telecommunication Engineering Department.
Entrepreneurship Development Counsellor.

Rajendra Mane College of Engineering and Technology, Ambav.

A/P: Ambav (Devrukh), Tal: Sangmeshwar, Dist: Ratnagiri, PIN - 415804.
