"Recent Advances in Computer aided Engineering"
(During 25th - 30th June, 2018)

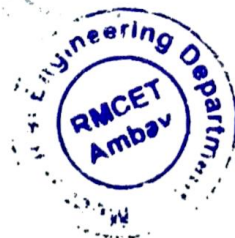

Organized by

Department of Mechanical Engineering
Rajendra Mane College of Engineering and Technology, Ambav,
Tal- Sangameshwar, Dist. - Ratnagiri.

Department of Mechanical Engineering received a grant of Rs.3, 00,000 from AICTE & ISTE for conducting one week Induction/Refresher Course on Recent Advances in Computer Aided Engineering. The Refresher course was conducted during 25 June-30 June 2018. Dr. S.N. Waghmare was the Coordinator for this refresher course. Total 42 teaching faculties from various institutes participated in the refresher course. People from various institutes like IIT, Government and private Engineering Colleges, Defense Institutes, and industries were invited as Resource persons.

(Principal Dr. M.M. Bhagwat, HoD Mechanical Dr. S.N. Waghmare, Guest of Honour Dr. Mohite from IIT Kanpur, Hon. Chairman Ravindraji Mane and Executive Chairperson Ms. Nehaji Mane during Inaugural function)

About RMCET

Rajendra Mane College of Engineering and Technology, Ambav (Devrukh) (RMCET) is one of the premier institution disseminating Quality Technical & Management Education Affiliated to University of Mumbai approved by AICTE, New Delhi and recognized by DTE, Govt. of Maharashtra having its establishment in 1998. Recently RMCET has been accredited by NAAC with "B+ grade". The institute is ranked under "Gold Category in the AICTE-CII Survey for Best Industry Linked Institutes" for year 2016 as well as 2017. Also the institute has received "Best Campus Award" for 2018 by ISTE, New Delhi.

About Program:

CAE is Computer Aided Engineering which is used to analyze CAD models. CAE tools are being used, for example, to analyze the robustness and performance of components and assemblies. The term includes simulation, validation, and optimization of products and manufacturing tools. Computer-aided engineering (CAE) is the use of computer software to simulate performance in order to improve product designs or assist in the resolution of engineering problems for a wide range of industries. CAE systems are information providers to help support design teams in decision making. Computer-aided engineering is used in many fields such as mechanical, automobile, civil constructions, aviation, space, and shipbuilding industries.

This STTP will give you platform to learn advanced tools used in CAE which will help for research and development. Also the knowledge of CAE will develop the skills of doing variety of analysis and which will make teaching learning process in innovative manner. This course is best suited to young teachers, researchers and research and development executives

Objectives:

- To introduce Computer Aided Engineering to engineering teaching faculty so that they are equipped to solve various problems of engineering, sciences and industries.

- To accept the forthcoming challenges regarding modeling, analysis, visualization and data management, solutions for various applications.
- To learn Finite Element Analysis and Design optimization
- Upgrade knowledge in the field of CAE and motivate teachers
- To enhance professional ideas and standards

Outcomes:

After studying this course, participants should be able to:

- Present some fundamental theory of CAE.
- Introduce the procedure which is required to carry out an analysis.
- Work on optimization technique for getting satisfactory results.
- Present & demonstrate CAE tools for effective teaching.
- Develop expertise in the usage of commercial finite element software

Course Contents:

- Introduction & Industrial applications of CAE.
- Formulation of problem using FEM.
- Results analysis & error estimation.
- Fatigue & wear analysis using CAE.
- CFD analysis & optimization techniques.
- Vehicle crash analysis & safety.

Resource Persons:

Distinguished faculty members from the renowned institutes like IIT, industries and other institutes will be the resource persons for the Programme.

Who should Attend:

ISTE member teachers from AICTE recognized engineering colleges (Diploma and Degree) can attend this programme. If you are not ISTE member at present then please deposit Rs.3540/member for ISTE Life Membership RMCET will forward your application to ISTE for Life Membership.

Registration:

Interested participants can send scanned copy of their duly signed registration form & payment receipt to the Registration coordinator through email. This being AICTE-ISTE sponsored Induction/Refresher Programme there are **NO registration charges**. However Nominal Registration fee of Rs. 2000/- is taken as deposit, this can be paid directly through NEFT on College Account. Details are given above. Registration fee will be refunded if not selected or on the successful completion of Program.

NOTE: A test will be conducted at the end of the programme and the certificates will be issued only for those participants who qualify the test.

Important Dates:

Last Date of Registration: 25/04/2018

Notification of Selection: 02/05/2018

How to Reach:

From Kolhapur – via NH166 (106.9 km)

From Ratnagiri – via NH 166 and NH66 (36.1 km)

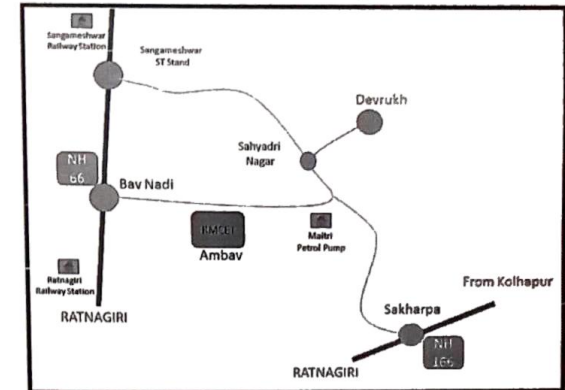

Nearest Railway Stations Nearest ST Depot:

Ratnagiri – 31.6 km

Devrukh – 7 km

Sangameswar- 27.3 km

Ratnagiri – 44.8 km

About Accommodation & TA:

Free Accommodation will be provided on sharing basis with Lunch and Dinner Arrangement. Please note that No travel allowance is provided for this programme.
