## CONTRACT OF EMPLOYMENT

Dear Mr. Ajinkya Suresh Tambe ,

### Congratulations!

Omsaad Engineers is pleased to inform you about your selection in our company as a **QUALITY AND DESIGN ENGINEER**.

Our aim is to provide you with a challenging and fulfilling experience in Quality, Design, VMC programing activity and manufacturing to deliver your full potential and achieve your personal goals.

Following are the major work responsibilities;

1. Quality inspection of all components and assembly manufactured in our company. It includes manual inspection of all components, preparing inspection sheets; maintain all reports to fulfil ISO requirements, inventory management, tool- material allocation and similar allied activities.
2. Handling VMC/CNC programing related activities.
3. Designing of new / existing R & D projects.
4. Managing shop floor activities.

• Salary per month: Rs. 12,500/-

◇ Working week: - 6 days

◇ Holiday: - Sunday

◇ Absence without prior consent of company is not allowed.

◇ Notice period: - 6 months.

◇ Your date of joining will be 05-08-2021.

The terms of this offer detailed above are strictly confidential and should be treated as privileged information between you and the company. You are expected to maintain such information appropriately. All previous agreements are ceased to be in force with signature of this Contract of Employment.

We believe you have a successful career ahead of you and look forward to your joining with us.

Yours faithfully,  
For Omsad Engineers
