Date: 11th December 2021

Sub: Your application dated 9th December 2021 for suitable post

Dear Ms. Ankita,

We are pleased to confirm that you have been selected to work for EVARIS SYSTEMS LLP as "Graduate Engineer Trainee".

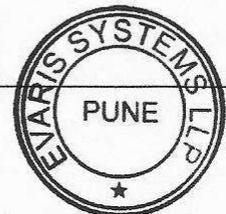

Your posting will be at our Pune office, however, because of pandemic situation you will be allowed to work from home till further notice.

Your training period will be for a duration of one year starting from 13th December 2021. During the Trainee period you will be involved in various activities and projects as per the requirements of the company. To ensure growth and create career path, initially, you will be assigned evaluation cum testing of on-going projects. During the training period you will be also involved in writing utilities / scripts and further involve in software development activities, as per the need and project demand. Being a Research oriented company, your creativity and aggressiveness towards timely completion of assigned tasks will one of the major criteria for measuring your progress.

On successful completion of training and based upon your performance during and at the end of the training period, you may be offered with suitable appointment in the Company against vacancies, if any.

During the training period you will be offered a consolidated internship of Rs. 12,000/- (Twelve Thousand Only), which may be revised depending upon your performance

You are required to maintain highest degree of discipline and maintain confidentiality of the project / activities including Client names, Project Data, Documents, Code, Trade secrets and any other material. If there is any breach in the discipline, confidentiality and trust, your services may be terminated with immediate effect.

EVARIS SYSTEMS LLP

(Evolutionary Artificial Intelligence Solutions & Systems LLP)

11, Puneet Angan,
S/No. 155/1/3, Aundh,

director@evaris.in
<http://evarissystems.com>

Your performance will be reviewed periodically, and if your performance does not meet expectations / requirements of the training program, your training period may be further extended for six months with an interim review after three months.

You will be governed by the rules and regulations of the company, including the amendments if any, from time to time. You are expected to sign the non-disclosure-agreement at the time of joining.

Kindly provide us the duly signed copy of your acceptance of this letter.

Whilst welcoming you to EVARIS SYSTEMS LLP, we wish you good luck and a very bright career with us.

Best Regards,
